Byron Leslie A. Marchand,1957 Of the great romantic figures of the nineteenth century certainly the most romantic the most Bryonic was Byron himself It is his clear sightedness his candour his steely strength of will the immediacy of his writing his insolence and cynicism his love of liberty his hatred of hypocrisy his originality his rational enlightened toughness which attached Byron to the present age as much as to his own Great poet notorious lover fighter for freedom this extraordinarily handsome and compelling man has continued to hold the attention and hearts of many thousands of people since the tragic end of his short life Leslie A Marchand s profound knowledge of his subject is unrivalled In preparing himself for this huge task he followed Byron s trails across Europe read and digested all of Byron s surviving letters journals and recorded conversations acquainted himself with what had been written of Byron earlier both in general books and in special monographic studies and consulted other Byron authorities everywhere Professor Marchand has used this abundance of material to create the living likeness of Byron more fully than it has ever been created before His superb biography gives us an engrossing and utterly convincing portrait of a genius a man who more than any other fulfilled in his brilliance passion and creativity the ideal of the Romantic Hero The spell of this strange unquiet blazingly honest and infinitely endearing man is powerful Byron emerges as an entirely remarkable man whose compelling presence and personality shine through the record of his weaknesses vanities and peccadilloes This is one of the handful of outstanding modern literary biographies for it is not simply the life of a poet but is instead the whole life of a man of action who was also a great poet **A Genealogical and Heraldic History of the Peerage and Baronetage, the Privy Council, Knightage and Companionage** Bernard Burke,Ashworth Peter Burke,1910 **Byron A Biography** Leslie A.
