L. Rowe,2008-08-20 William Miller was the founder of the modern American millennial tradition Using various dates found in scripture he sought to calculate the chronology of Christ s return to earth Although his prediction that Christ would visibly return in 1843 failed spectacularly followers reinterpreted his message and laid the basis for the modern Seventh day Adventist Church In this book David L Rowe utilizes the vast collection of Miller primary materials to reconstruct Miller s life He relies on information found in correspondence Rowe gives special attention to the Miller family connections and to Miller s personal identity struggles documenting a deep tension between proclivities for both obedience and rebellion The
