Laws of Occultism C. C. Zain, 2014-04-25 This is the first book in the 21 Brotherhood of Light Course series by C. C. Zain on the Hermetic Sciences: Astrology, Alchemy, Tarot, Kabbalah, and the Occult. In this book, the reader is introduced to the concept of the occult, which means hidden or unseen, and occultism, which is the science of hidden forces and the art of subjecting those forces to human control. The nature and theory of the Inner or Astral Plane and how it interacts with the outer or physical plane is introduced along with the theory of astral vibrations and the nature of astral substance. The chapter on the Doctrine of Nativities covers the nature and origin of the soul, its birth into human form, and the importance of the astrological birth chart as a map of the soul and its character. Mediumship, psychic phenomena, and the paranormal are covered in detail because of their common association with the occult and swirl of misunderstanding and confusion that surrounds these subjects. Brotherhood of Light Lessons C. C. Zain (aka Elbert Benjamin), The Church of Light, This book is a compilation of the authentic Brotherhood of Light Lessons by C. C. Zain. It contains over 5000 pages and all 23 volumes of the 21 Brotherhood of Light Course series. Divided into three branches of study: Astrology, Alchemy, and Magic, which includes the tarot and kabbalah, there are seven courses in each branch. Zain integrates these fields of study into a unified understanding of how a student may apply Hermetic tradition and principles to build character, attract desired events into the life, and significantly increase one's happiness, usefulness, and spirituality. Only authentic Brotherhood of Light lessons by C. C. Zain can bear the trademark of the two interlaced trines with the name of Deity in the center and astrological symbols around the outside. The Brotherhood of Light is a modern-day Mystery School Tradition which offers a self-paced home study course in Hermeticism. The goal of The Brotherhood of Light teachings is to create a world in which the dominant motivation of individuals is for Universal Welfare. That is an ideal society that protects freedom of expression and worship while simultaneously offering the tools by which freedom from want and fear can be achieved. We believe that this better world can be attained by becoming familiar with the facts of astrology, extra-sensory perception, directed thinking, and induced emotion, all taught in The Brotherhood of Light Lessons. The study and application of these teachings provides the aspirant with the tools to experience greater happiness and spirituality and to discover his or her role in God's Great Plan. This book integrates the following publications into one document: CS01 Laws of Occultism, Inner Plane Theory, and the Fundamentals of Psychic Phenomena; CS02 Astrological Signatures, Evolution of the Soul, and the Nature of Astrological Energies; CS03 Spiritual
