The background of the slide features a close-up, artistic photograph of two pens. The pens are positioned vertically, with their tips pointing upwards, and they appear to be growing out of a dark, textured surface that resembles soil or mulch. The lighting is warm and directional, coming from the upper right, which creates a strong highlight on the right side of the pens and casts soft shadows to the left. The overall color palette is dominated by warm, earthy tones of brown, orange, and red.
