Searching for the True Bottom Line Carl McConchie, 2021-02-09 People write books. They write books lifting up issues that they believe are vitally important for living a successful Christian life. The problem is writers of the New Testament Epistles like Paul, Peter, James, and John never mention these matters. How can something be so important to some modern-day writers and not even be mentioned in the Epistles? This is a book about exhortations, commandments, and admonitions. It is a matter of what is actually exhorted in the Epistles and what is not. It is the writer's hope that people will find freedom and peace with regard to the several matters exhaustively considered in these pages: matters such as exorcism of demons, fasting, and Sabbath-keeping. Bottom line truth is to be found in the New Testament Epistles with regard to instruction for living the normal Christian life.
