## Olive Schreiners Fiction:

The Story of an African Farm Olive Schreiner,2022-11-01 Reproduction of the original  
Clayton,1983    The Story of an African Farm Olive Schreiner,2013-02-15 The Story of an African Farm published 1883  
under the pseudonym Ralph Iron was South African author Olive Schreiner s first published novel It was an immediate  
success and has become recognised as one of the first feminist novels The novel details the lives of three characters first as  
children and then as adults Waldo Em and Lyndall who live on a farm in the Karoo region of South Africa The story is set in  
the middle to late Nineteenth century the First Boer War is alluded to but not mentioned by name The book is semi  
autobiographical in particular the two principal protagonists Waldo and Lyndall display strong similarities to Schreiner s life  
and philosophy    Olive Schreiner's Fiction Gerald Monsman,1991 Olive Schreiner is one of those women writers such as  
Germaine de Stael George Sand or Margaret Fuller who has been more famous for her life circle of friends and proto  
feminism than for her writings These women are all known about but relatively unkown when it comes to a close study of  
their fiction With Olive Schreiner s Fiction Gerald Monsman has rectified that situation Schreiner embodies an unusual  
combination of feminism and colonial Victorianism The daughter of missionary parents in South Africa she noticed early in  
her life that the Gospel s social message was not consistent with the behavior or cultural activity of the imperialists and  
empire builders by whom she was surrounded She saw quite clearly the ways in which her society used religion to justify  
cultural domination and exploitation of both people and land and the ways in which appeals to a higher cause rationalized  
outright greed In her fiction Schreiner tried to use the master s own tools against him Her insight as Monsman sees it is first  
to rearticulate the master plot the religious foundation of equality Social morality based on that foundation necessarily  
demands that one heed more than the patriarchal story and that one listen to the voices and stories told by children women  
the land and all its inhabitants Monsman charts the topography of her imagery within her most significant imaginative works  
and provides one of the first serious considerations of Schreiner s fiction    **A Critical Study of Olive Schreiner's Fiction  
in a Historical and Biographical Context** Cherry Ann Clayton,1985\*    **Dreams** Olive Schreiner,2017-06-25 This is the  
second book by Schreiner South African author and feminist who is best remembered for her novel The Story of an African  
Farm It contains eleven short stories based on Schreiner s dreams and life on a farm in South Africa Olive Schreiner 24  
March 1855 11 December 1920 was a South African author anti war campaigner and intellectual She is best remembered  
today for her novel The Story of an African Farm which has been highly acclaimed since its first publication in 1883 for the  
bold manner in which it deals with some of the burning issues of the day including agnosticism existential independence  
individualism the professional aspirations of women and the elemental nature of life on the colonial frontier In more recent  
studies she has also been identified as an advocate for those sidelined by the forces of British Imperialism such as the  
Afrikaners and later other South African groups like Blacks Jews and Indians to name but a few Although she showed interest

in socialism pacifism vegetarianism and feminism amongst other things her true views escape restrictive categorisations Her published works and other surviving writings promote implicit values like moderation friendship and understanding amongst all peoples and avoid the pitfalls of political radicalism which she consciously eschewed Although she may be called a lifelong freethinker she continued to adhere to the spirit of the Christian Bible and developed a secular version of the worldview of her missionary parents with mystical elements Karel Schoeman the South African historian and leading authority on Schreiner's life in South Africa has written that she was an outstanding figure in a South African context albeit perhaps not quite the same abroad Schoeman acknowledges that while *The Story of an African Farm* is by no means perfect it is still unique and gripping even to the modern reader He also outlines the basic pattern of her life which may serve as a useful guide to both this article and the pursuit of further interest in the subject From a chronological viewpoint Olive Schreiner's life shows an interesting pattern After she spent the first twenty five thereof in South Africa she was in England for more than seven years and also lived during this time in Europe After this she lived in South Africa for twenty four years the time of her friendship with Rhodes the Anglo Boer war and her growing involvement in issues like racism and the lot of women after which another exile followed in England for seven years it was only shortly before her death in 1920 that she returned to South Africa Olive Schreiner *A Life in South Africa 1855-1881* Human Rousseau Cape Town 1989 Schreiner should also be remembered for the novel of her mature years *FROM MAN TO MAN OR PERHAPS ONLY* which she did not complete revising before her death It was published posthumously in 1926 in an edition produced by her husband Samuel Cronwright Schreiner and has recently been re edited and published by University of Cape Town Press edited and introduced by Dorothy Driver This edition corrects the editorial and proofreading errors that marred previous editions It also provides another ending to the novel in Schreiner's own words besides the one her husband summarised *FROM MAN TO MAN OR PERHAPS ONLY* was Schreiner's favourite among her novels From exploring white women's confinement to domesticity in late 19th century South Africa and England the novel expands its gaze to include black women and girls whose presence gradually informs the central character's struggle to re-create herself and educate her children against the racism and sexism of the time
