**On Christian Doctrine. Translated with an Introd., by D. W. Robertson, Jr** Saint Augustine (of Hippo), 1958

On Christian Doctrine Saint Augustine, 2003 There are certain rules for the interpretation of Scripture which I think might with great advantage be taught to earnest students of the word that they may profit not only from reading the works of others who have laid open the secrets of the sacred writings but also from themselves opening such secrets to others These rules I propose to teach to those who are able and willing to learn With these words Saint Augustine 354 430 AD began one of the finest theological treatments ever written on reading and interpreting Holy Scripture Pastors monks and educated laypersons cherished *De Doctrina Christiana* from the time Augustine wrote it through the Middle Ages Today if this wonderful little book is less well known it nevertheless remains as insightful as ever

*On Christian Doctrine* Saint Augustine of Hippo, 2025-05 For the fear of God is the beginning of wisdom How should we read and interpret Sacred Scripture How can we discern truth from error and wisdom from vain speculation In *On Christian Doctrine* Saint Augustine offers a masterful guide to understanding the Word of God revealing how the graces of faith hope and love are absolute necessities for the discovery and right interpretation of Scripture With clarity and insight Augustine lays out the essential principles covering language signs figurative expressions and the proper relationship between faith and reason He warns against errors that come from reading Scripture too literally or too loosely and teaches that all interpretation must ultimately lead to love of God and neighbor More than a theological treatise *On Christian Doctrine* is a call to wisdom It challenges the reader to seek not just knowledge but true understanding directing the soul toward God's eternal truth

and explain the meaning of scripture Augustine intended his treatise for the priests in his North African diocese of Hippo but ultimately the saint's counsel laid the groundwork for modern hermeneutics and semiotics The first of *On Christian Doctrine*'s four parts begins with an overview of the subjects treated in holy scripture Subsequent parts discuss signs and their recognition the distinctions between literal and figurative expressions and the scriptures stylistic combination of eloquence and wisdom Above all Augustine's text concerns itself with the ways in which individuals can live in harmony with Jesus teachings Christians and non Christians alike value this work for its role in historical theology its influence on the development of Biblical interpretation and its insights into the mind of a great Christian philosopher and ecclesiastic
