

# SOCIAL CHANGE

Social change is defined by sociologists as alterations in the basic structures of society or a social group.

## APPROACHES

### Structural-functionalism

Social change should serve the best interests of society, with the goal of maintaining equilibrium and balance within the social system.

### Conflict Theory

Social change happens suddenly when conflict boils over, upending the status quo.

## EXAMPLE

### The Industrial Revolution

The Industrial Revolution was a period of significant social and economic change marked by the widespread development of new technologies, transportation and communication systems, and the growth of factories and mass production. Urbanization, labor rights, and women's rights took center stage.

## Embracing the Tune of Expression: An Emotional Symphony within **On Culture And Social Change**

In a world used by monitors and the ceaseless chatter of fast connection, the melodic splendor and emotional symphony produced by the published term frequently diminish into the background, eclipsed by the constant sound and disruptions that permeate our lives. However, situated within the pages of **On Culture And Social Change** a marvelous literary treasure overflowing with fresh thoughts, lies an immersive symphony waiting to be embraced. Crafted by an outstanding musician of language, this interesting masterpiece conducts visitors on a mental trip, well unraveling the hidden tunes and profound influence resonating within each carefully constructed phrase. Within the depths of the touching evaluation, we will investigate the book's central harmonies, analyze its enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers' souls.
