## **On Good And Evil:**

*On Good and Evil* Vincent Cheung, 2001-04 The Bible has much to say on the subject of good and evil God wants us to recognize good for good evil for evil and never confuse the two Individuals and societies become wicked in the sight of God when they pervert justice and morals through confusing or even reversing the definitions of good and evil The influence of secular culture has become so thorough that many do not even believe in the existence of good and evil They consider all moral standards to be based on individual preferences or societal factors The Bible is clearly against such thinking As Christians we must learn to discern and uphold God's standards regarding these issues The purpose of this book is to assist the reader in gaining the ability to discern good and evil and even beyond this to unashamedly love good and hate evil as the Scriptures command us to do
