Experience the Feel of Simple Golf John Ward, 2015-09-18 Today's golfing instruction bombards you with an endless list of swing mechanics to mentally control during a swing of less than two seconds. Experience the Feel of Simple Golf builds on the integrative methods of Percy Boomer named the #1 all time swing guru by Sports Illustrated and teaches you his paradigm shifting and simpler method of using the same lower body powered swing movement to drive chip and putt. Replacing the hundreds of standalone swing mechanics with five integrated fundamentals, this modern day approach to the old school style swing helps beginner, intermediate, advanced golfers and golf instructors pinpoint the keys to better golf. Presented in three parts: Part I shows how to learn the golf swing through feel in one four hour lesson; Part II digs into the five fundamentals; Part III is a reference manual covering the short game, putting and a seven step self guided troubleshooting process to fix a faulty swing. Read only those chapters that fit your skill level and needs. An incredible follow up to Boomer's 1946 classic On Learning Golf, this innovative instructional by John Ward and Paul Woods revives the classic swing methods of great golfers like Nicklaus and Hogan.

Learning Golf's Essential Elements Jim Howe, 2008-01-01 This is an imaginary story that will inform the reader about techniques used by plaintiffs and defendants in a courtroom. Two distinct scenarios give rise to a plot that proved that a judge overstepped his authority which led to grave consequences. The other plot talks about young boys stealing 1,000 cars for a gentle mafia that shipped the cars to Poland for sale. Attorneys introduced erroneous information or doubtful facts in an effort to help seeing the presentation to win the case. Interestingly, neither the attorneys for the defense or prosecution nor the judge are sworn in, yet all being officers of the court have the power to speak in accusation, defense and judgment. Is that what our judicial system should be all about? My imagination tells you it is not that kind. Dream with me and get wise. No doubt, forever you may even believe that justice belongs to attorneys and judges who are presumptuously always right.

Feel. Simple. Golf John Ward, 2016-07-26 Golf too complex? It is, but your swing can be simple. Only five fundamentals with easy step by step instructions to master them. Use the same swing movement to drive, chip and putt. Feel a good swing, then swing that feel to play your best. Tame your mind so it works for you. Simple. You can do this. A simple version of Ward and Woods' technical reference manual Experience the Feel of Simple Golf, 2016. This book unwraps the secrets of Percy Boomer's paradigm shifting approach to a powerful, accurate and consistent golf swing. Feel Simple Golf takes to the next level the teachings of Boomer in his 1946 book On Learning Golf. Percy Boomer was an inaugural member of the World Golf Teachers Hall of Fame and Sports Illustrated's #1 ranked all time golf swing guru. Feel Simple Golf is based on old school classic swing fundamentals reminiscent of Hogan and Nicklaus. Case studies bring the fundamentals to life. Know and rely upon the feels of doing each fundamental well. Learn when to engage your brain and then how to quiet it to perform your best. Fix your own
