

On Preaching

Phillips Brooks

On Preaching:

On Preaching H B Charles Jr, 2014-04-15 Preaching Magazine's 2015 Book of the Year On Preaching is a masterful resource that will refresh your soul and revitalize your preaching ministry Drawing upon Scripture and years of experience as a preacher H B Charles offers a practical resource for pastors seminarians church planters and Bible teachers that is full of energy and wonderfully enjoyable He gives tips like Avoid indecent exposure get your wife's permission before using your family in the message and Illustrate A good illustration is like a window on a house It helps your listeners see in or out Written in a very clear and concise manner this resource is formatted into 30 short chapters that can easily be read as a devotional On Preaching will encourage seasoned preachers to dig deeper into the basics as they pause and reflect on the effectiveness of their ministry It will also serve as a spring board for those who are just beginning a preaching ministry

The Company of Preachers Richard Lischer, 2002-08-30 This unique volume draws on the wisdom of Christian thinkers and preachers from across the ages to present a warm and informative collection of insights on the art of preaching Gathering the writing of figures as diverse as Augustine John Chrysostom Jonathan Edwards Gardner C Taylor and Barbara Brown Taylor The Company of Preachers provides experienced advice on effective preaching direct from the pens of those who have known it best The book is arranged in seven divisions each covering a central component of the preaching task Editor Richard Lischer himself a distinguished preacher and teacher gives a brief introduction to each selection Aptly presenting a theological and historical cross section of the church's homiletics this volume will be invaluable to preachers students preparing for ministry and others seeking models of powerful Christian speech Features insights on preaching from Augustine Karl Barth Dietrich Bonhoeffer Walter Brueggemann Rudolf Bultmann Horace Bushnell David Buttrick John Calvin John Cassian John Chrysostom Fred B Craddock C H Dodd Jarena Lee Jonathan Edwards Charles Grandison Finney P T Forsyth Harry Emerson Fosdick Gregory the Great George Herbert Martin Luther Henry H Mitchell John Henry Newman Phoebe Palmer Paul Ricoeur Oscar Romero Friedrich Schleiermacher Charles Haddon Spurgeon Barbara Brown Taylor Gardner C Taylor John Wesley and many more

Lectures on Preaching Phillips Brooks, 1877 Phillips Brooks a veteran minister with years of experience at the pulpit shares guidance on preaching and serving in the ministry in these lectures delivered at Yale University The nineteenth century was a time of great expansion in the United States and by extension the churches and Christian movements Demand for new preachers and ministers burgeoned that the many new communities founded had God in the hearts and minds of their inhabitants Having lived in what was an environment of upheaval Brooks felt it appropriate to pass on the wisdom and advice to prospective new ministers looking to found or join parishes around the country Making and delivering fine sermons the messages of which stay with the congregation is at the heart of what a good minister does Yet the work is not confined to merely this the preacher must be a support to the communal and spiritual life of his locality that his congregation be kept in good health and that their souls be shepherded toward a life of virtue and good

conduct The preacher must also turn his attention inward his character must be examined for flaws or bad habits with virtues cultivated that he stand as a model for the wider community Lectures on Preaching: Phillips Brooks,2025-10-23 In Lectures on Preaching Phillips Brooks one of the most eloquent voices in nineteenth century American Christianity offers timeless guidance on the art and soul of preaching Delivered to students at Yale Divinity School in 1877 these lectures combine the intellectual depth of a theologian with the compassionate wisdom of a pastor Brooks challenges preachers not merely to instruct but to inspire to communicate divine truth through the living energy of personality conviction and love With rare clarity Brooks explores the preacher s inner life the cultivation of sincerity moral courage and empathy as essential to ministry He rejects mechanical eloquence in favor of authenticity urging ministers to speak as human beings to human beings not as performers but as witnesses to faith Drawing on Scripture philosophy and his own pulpit experience he articulates a vision of preaching that is both deeply spiritual and profoundly practical More than a manual for clergy Lectures on Preaching is a meditation on communication itself on how ideas when fused with integrity and spirit become transformative Over a century later Brooks s insights still resonate with anyone seeking to speak truth with clarity and grace It remains a cornerstone text in the theology of ministry revered for its warmth humility and enduring moral power

Lectures on Preaching Henry Ward Beecher,1872 Lectures on Preaching Phillips Brooks,1898 **A Reader on Preaching** David Day,2017-09-08 Every Sunday all over the world people rise up and claim to speak in the name of God It is an astonishing thing to do and an astonishing claim to make It is small wonder that the sermon has been the focus of debate discussion and investigation It has been dismissed as irrelevant in today s culture and has become the butt of numerous jokes and caricatures Yet the claim persists that these human words in some way can become God s message to these hearers This collection of twenty nine articles by international experts in the area of homiletics coincides with the revival of interest in preaching over the last twenty five years It is practical without being merely tips for preachers and it offers the necessary theoretical discussion for anyone who wants to take the art of preaching seriously No important issue has been omitted and taken as a whole the book constitutes a first class introduction to the principles processes context and theology of preaching Contributors include Walter Brueggemann David Buttrick Fred Craddock Edward Farley John Killinger Richard Lischer Thomas Long Elaine Lawless Jolyon Mitchell Cheryl Sanders and Thomas Troeger **Nine Lectures on Preaching** Robert William Dale,1877 **Lectures on Preaching** Phillips Brooks ,1978 **Lectures on Preaching** Matthew Simpson,1879

The Preacher's Manual: Lectures on Preaching S. T. Sturtevant,2022-01-13 Reprint of the original first published in 1866 *The Preacher's Manual: a course of lectures on preaching, in which Claude's principles, as laid down in "Letters and Conversations on Preaching," are fully developed, and illustrated by examples, etc* S. T. STURTEVANT,1866 Lectures on Preaching Ezekiel Gilman Robinson,1883 The Art and Craft of Biblical Preaching Zondervan,2009-05-26 A Comprehensive Resource for Today s Christian Communicators This extensive encyclopedia is the most complete and

practical work ever published on the art and craft of biblical preaching Its 11 major sections contain nearly 200 articles comprehensively covering topics on preaching and methodology including Sermon structure and the big idea The art of introductions transitions and conclusions Methods for sermon prep from outlining to exercising Approaches to different types of preaching topical expository evangelistic and more Best practices for sermon delivery speaking with authority and using humor Leveraging effective illustrations and stories Understanding audience and much more Entries are characterized by intensely practical and vivid writing designed to help preachers deepen their understanding and sharpen their communication skills The contributors include a virtual Who's Who of preaching from a cross section of denominations and traditions such as Dallas Willard John Ortberg Rick Warren Warren Wiersbe Alice Mathews John Piper Andy Stanley and many others Haddon Robinson and Craig Brian Larson two of today's most respected voices in preaching provide editorial oversight Includes audio CD with preaching technique examples from the book **Lectures on preaching** William Boyd Carpenter, 1895 Conversations with Barth on Preaching Bishop William H. Willimon, 2010-09-01 One of today's greatest preacher theologians engages one of the twentieth century's greatest teacher theologians on the meaning of preaching Readers of William H. Willimon's many books have long found there the influence of Karl Barth probably the most significant theologian of the twentieth century In this new book Willimon explores that relationship explicitly by engaging Barth's work on the pitfalls and problems glories and grandeur of preaching the Word of God The Swiss theologian says the author expressed one of the highest theologies of preaching of any of the great theologians of the church Yet too much of Barth's understanding of preaching lies buried in the Church Dogmatics and other sometimes obscure sources Willimon brings this material to light introducing the reader to Barth's thought not just on the meaning but the practice of preaching as well

Manual on Preaching Milton Crum, 1988 Hints on Preaching, 1879 *Preaching* Ronald Allen, 2002 Preaching it sounds like such a easy thing to do All you have to do is step into the pulpit and talk for 20 minutes right Anyone who's ever stepped into that pulpit knows that preaching is anything but easy Speaking a word from God that is grounded in the biblical witness theologically responsible and true to contemporary experience is one of the most difficult things one can do Advice on how to do this is as old as preaching itself and there are as many opinions on preaching as there are preachers Where do those who have been called to the ministry of proclamation begin What are the basic understandings and practices that anyone who proposes to preach should know In this new addition to the Essential Guides series Ronald Allen seeks to answer these basic questions about preaching He does so through the use of an inductive method which is simply to say that he starts with a sermon itself and uses that sermon to illustrate the process of moving from the first thoughts about what one will preach to the delivery of an actual sermon itself Each chapter will raise a question about the sample sermon that leads into a broader discussion of the practical and theoretical issues that this particular aspect of the sermon raises e.g. What is the good news in this sermon What is the significance of this news for the congregation Does the preacher offer a clear and

sensible interpretation of the biblical text or the topic Written with the needs of students in both traditional M Div classes and non degree ministry training programs in mind *Preaching An Essential Guide* will be an indispensable companion for all the others who seek to rightly explain the word of truth Ronald J Allen is Professor of Homiletics at Christian Theological Seminary Indianapolis Indiana *The Christian Preacher* Edward Williams, 1810

On Preaching Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its ability to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**On Preaching**," written by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
