## On Secret Service:

**I Am a Secret Service Agent** Dan Emmett, Charles Maynard, 2017-06-06 Adapted from *Within Arm's Length* for a younger audience a rare inside look at the Secret Service from an agent who protected three US presidents. Ever wonder what it would be like to have a job where your life was on the line? Where at any time you might be asked to make the ultimate sacrifice in the line of duty? Dan Emmett was eight years old when President John F. Kennedy was assassinated. From that moment forward he knew he wanted to become a Secret Service agent, one of an elite group of highly trained men and women dedicated to preserving the life of the president of the United States at any cost. Armed with single minded determination and a never quit attitude he did just that. Selected over thousands of other highly qualified applicants he was eventually chosen as one of the best of the best and provided protection worldwide for presidents George H. W. Bush, Bill Clinton and George W. Bush. *I Am a Secret Service Agent* depicts the crucial duties and challenges of this extraordinary job from conducting presidential advances to driving the president in a bulletproof limousine to flying with him on Air Force One. With fascinating anecdotes Emmett weaves keen insight into his account of the unique culture and history of the Secret Service. *I Am a Secret Service Agent* is a must read for young adults interested in a career in federal law enforcement. Praise for *I Am a Secret Service Agent*: This firsthand introduction to the Secret Service is a valuable addition for those interested in law enforcement. *School Library Journal*

**Secrets of the Secret Service** Gary J. Byrne, Grant M. Schmidt, 2018-01-02 From the author of the #1 New York Times bestseller *Crisis of Character* comes an explosive expos of the Secret Service. The United States Secret Service is tasked with protecting our Presidents, their families and the complex in which they live and work. Given this important mission, world stability rests upon the shoulders of its agents. In this book, former Secret Service officer Gary Byrne takes readers behind the scenes to understand the agency's history and today's security failings that he believes put Americans at risk. The American public knows the stories of Secret Service heroism, but they don't know about the hidden legacy of problems that have plagued the agency ever since its creation. Byrne says that decades of catastrophic public failures, near misses and bureaucratic and cultural rot threaten to erode this critical organization from the inside out. Today, as it works to protect President Trump, the Secret Service stands at a crossroads and the time needed to choose the right course is running out. Agents and officers are leaving the Secret Service in droves or they're being overworked to the point where they lose focus on the job. Management makes decisions based on politics, not the welfare of their employees. Byrne believes that this means danger for the men and women of the Secret Service, danger for the President they protect and danger for the nation. In *Secrets of the Secret Service*, he shares what he has witnessed and learned about the agency with the hope that its problems can be fixed before it's too late.

*Within Arm's Length* Dan Emmett, 2012 Narrates the story of Dae Emmett's journey in this coveted job from the application process to his retirement as assistant to the special agent in

charge on the elite Presidential Protective Division     **On Secret Service** John Jakes,2000 It is America 1861 and North and South have never seemed further apart the threat of civil war hangs heavy in the air For Lon Price the issue is simple He has inherited from his Methodist father both a burning sense of right and wrong and a desire to see an end to slavery So much so that he is prepared to resign from the Pinkerton police agency to fight for the North But his departure is not necessary for the federal government is well aware of the agency s work and in Lon they see a primie candidate for secret service

Margaret Miller is part of a family that prides itself on supporting the South her father Calhoun is owner of the secession supporting Baltimore Independent her brother Cicero has similar views though the circles he moves in are considerably less law abiding When Calhoun is killed by a Yankee bullet Margaret becomes as determined as Lon to uphold the ideals of her father

*Protecting the President* Dan Bongino,2021-01-12 Being a Secret Service agent is one of the most treacherous jobs in the world and never more so than in today s highly polarized America Facing threats from fence jumpers and manifesto writers and from fanatical terrorists and sophisticated spies protecting the president is harder than ever In an age of hyper partisan politics emotions are high and crazies are a dime a dozen On top of that with international tensions reaching a boiling point it s harder than ever to determine friend from foe Yet the President of the United States is in very real danger if the Secret Service doesn t change course soon and evolve with the rapidly changing threat environment Highly motivated bad guys are already working on technologically advanced methodologies and are constantly striving to formulate the logistics of an attack on the White House Eventually terrorist planners will find a way to acquire the technology weapons explosives and know how to make an attempt on the life of the President The only question is What are we going to do about it Protecting the President provides not only a rare insider glimpse of what the Secret Service does but explores the challenges facing the agents today Chock full of relevant stories of protecting past presidents veteran agent Dan Bongino explains how the agency can best protect the president today This book covers how the Secret Service should plan for a tactical assault by a terrorist attack team prepare to respond to a severe medical emergency train to handle a chemical or biological weapon attack prepare for an attack using explosives plan for 9 11 style attacks from the air and fire threats and much more

*The Story of Secret Service* Richard Wilmer Rowan,1937     **Life Inside the Bubble** Dan Bongino,2013 A former twelve year Secret Service agent and Maryland political candidate reveals how his experiences inside the White House as an agent protecting the president convinced him to resign and run for the United States Senate     To Be a U.S. Secret Service Agent Henry M. Holden,2006-05-15 A look inside the renowned law enforcement agency its history its recruiting and training process and tips for those seeking a Secret Service career The Secret Service was established after the Civil War by the Treasury Department originally to protect American currency against counterfeiters It was only after the assassination of President William McKinley in 1901 that Congress directed the Secret Service to protect the President of the United States Today protection remains the primary mission of the United States Secret Service It takes a special type of

individual to be a U S Secret Service agent one willing to take a bullet to preserve the ideals on which the United States was founded To Be a U S Secret Service Agent lifts the curtain for a look inside this law enforcement agency including the highly selective recruiting the intense training and the specialized weapons and equipment used to protect current and past presidents vice presidents their families and visiting heads of state Includes photos The First Family Detail Ronald Kessler,2014 As in a play presidents vice presidents and presidential candidates perform on stage for the public and the media What the nation s leaders are really like and what goes on behind the scenes remains hidden Secret Service agents have a front row seat on their private lives and those of their wives and children Crammed with new headline making revelations THE FIRST FAMILY DETAIL Secret Service Agents Reveal the Hidden Lives of the Presidents by Ronald Kessler tells that eye opening uncensored story Since publication of his New York Times bestselling book In the President s Secret Service award winning investigative reporter Ronald Kessler has continued to penetrate the wall of secrecy that surrounds the U S Secret Service breaking the story that Secret Service agents who were to protect President Obama hired prostitutes in Cartagena Colombia and revealing that the Secret Service allowed a third uninvited guest to crash a White House state dinner Now in this new book Kessler presents far bigger and more consequential stories about our nation s leaders and the agency sworn to protect them Kessler widens his scope to include presidential candidates and former presidents after they leave the White House In particular he focuses on first ladies and their children and their relationships with the presidents From observing Vice President Joe Biden s reckless behavior that jeopardizes the country s safety to escorting Bill Clinton s blond mistress at Chappaqua to overhearing First Lady Michelle Obama s admonitions to the president to witnessing President Nixon s friends bring him a nude stripper to seeing their own agency take risks that could result in an assassination Secret Service agents know a secret world that Ronald Kessler exposes in breathtaking detail THE FIRST FAMILY DETAIL reveals Vice President Joe Biden regularly orders the Secret Service to keep his military aide with the nuclear football a mile behind his motorcade potentially leaving the country unable to retaliate in the event of a nuclear attack Secret Service agents discovered that former president Bill Clinton has a blond mistress who lives near the Clintons home in Chappaqua New York Within minutes of Hillary Clinton s leaving the woman codenamed Energizer by agents shows up to be with Bill and stays every day while the likely future presidential candidate is away The Secret Service covered up the fact that President Ronald Reagan s White House staff overruled the Secret Service to let unscreened spectators get close to Reagan as he left the Washington Hilton allowing John W Hinckley Jr to shoot the president Secret Service agents have been dismayed to overhear Michelle Obama push her husband to be more aggressive in attacking Republicans and to side with blacks in racial controversies Secret Service Director Mark Sullivan diverted agents from protecting President Obama and his family at the White House and ordered them instead to protect his assistant at her home and illegally retrieve confidential law enforcement records as a favor to her Because Hillary Clinton is so nasty to agents being assigned to her protective
