

On Abignment The Darkroom

**Juan C. Abel, Thomas Harrison
Cummings, Wilfred A. French, A. H.
Beardsley**

On Abignment The Darkroom:

The Dark Room Rachel Seiffert,2012-04-02 In The Dark Room the experiences of three people are evoked with stunning emotional depth and psychological authenticity A boy born with a physical deformity finds work as a photographer s assistant during the 1930s and captures on film the changing temper of Berlin the city he loves But his acute photographic eye never provides him with the power to understand the significance of what he sees through his camera In the weeks following Germany s surrender a teenage girl whose parents are both in Allied captivity takes her younger siblings on a terrifying illegal journey through the four zones of occupation in search of her grandmother Many years after the event a young man trying to discover why the Russians imprisoned his grandfather for nine years after the war meets resistance at every turn the only person who agrees reluctantly to help him has his own tainted past to contend with With dazzling originality and to profound effect Rachel Seiffert has recreated one of the darkest moments of the twentieth century **Popular**
