

On Being A Principal

Michael B. Ayers, William A. Sommers

On Being A Principal:

On Being a Principal: The Rewards and Challenges of School Leadership Gordon A. Donaldson, Jr., 1997-11-19 The principalship is increasing in complexity and responsibility to the point where principals themselves find it increasingly difficult to know their function in schools Principals were invited to write for this volume about what is rewarding to them about the work they do This book explores what makes the position worthwhile to these school leaders in 10 chapters 1 Seeing the Possibilities Gordon A Donaldson Jr 2 My Inspirations Suzanne Olson 3 Getting It Right Al Narvaez 4 A Few Big Lessons From a Few Small Teachers Phil Hunsberger 5 Throwing Rocks in the Pond Fran Vandiver 6 There s No Doubt We re Alive Paul Bianchi 7 My Nonnegotiables Barney Hallowell 8 On Raccoons Beatles and Relevance Gordon Nunemaker 9 Relax and Enjoy the Show Walter McClennen and 10 Hardly a Week Goes By Jack Pickens The stories of these school leaders reveal just how immediate and human the rewards are such as the interchange with a child or the sudden realization that a long sought after change has indeed taken root These stories also reveal just how subtly principals discover that they are making a difference RT **Being and Becoming a Principal** L. Joseph Matthews, Gary Monroe Crow, 2003 This book focuses on the skills training values and assumptions that principals and assistant principals employ as leaders and reformers This text views administrators more broadly as transformational leaders who include the entire school community in reform Scenarios and activities are used to provide a bridge from learning the theory of school administration to the practical problem solving in which school leaders engage

Your First Year as Principal Tena Green, 2013 As you sit at your desk behind the door ominously marked Principal s Office you are suddenly struck with a feeling of terror what have you gotten yourself into Being a principal is a difficult job filled with great responsibility and stress Before you panic you should know that most principals survive the first year However Your First Year as a Principal will help make the first year easier providing you with all the information you did not learn in school With the help of this extensively researched book first year principals will learn how to step out from behind the previous principal s shadow how to make changes without changing too much too soon and how to deal with teachers parents and students You will also learn how to handle the stresses of the job how to find a mentor and how to plan for public relations You will learn about the common mistakes first year principals make and how to avoid them You will learn about all of the duties that fall on your shoulders and how to handle that responsibility You will also learn how to build strong relationships with teachers and staff how to pick your battles how to handle bullying in your school how to boost staff morale how to discipline students and how to deal with conflicts Ultimately you will clearly understand what comes with being a principal You will be able to clarify and define your roles expectations and responsibilities Novice and veteran principals alike who have all previously been in your position offer their advice and tips on surviving your first year and excelling beyond Also included are from the headlines blurbs to help you handle recent education policy changes Whether you are the principal of a small large public private charter urban rural or suburban school Your First Year as a

Whitehead,Floyd Boschee,Robert H. Decker,2012-10-17 The path to becoming a leader for your students faculty and community begins here

The Principal Leadership for a Global Society is the core textbook for aspiring and practicing K 12 school principals Taking a practical and research grounded approach this inspiring text prepares school leaders to successfully face the challenges that they will deal with on a day to day basis and throughout their careers From curriculum development to staff development to policy and discipline it addresses the most up to date practices in developing leadership skills The book provides a wide array of pedagogical features to help practicing and aspiring school principals improve programs create a safer and more enriching environment for students and faculty meet school district community state and national ideologies and standards and much more After reading The Principal the educational leaders of tomorrow will be equipped with innovative practical and successful leadership concepts and ideas that will help them make a powerful impact on not just those who walk through the school doors but the community as well

Becoming a School Principal Sarah E. Fiarman, 2019-01-02 The principal's role is increasingly understood as a critical lever for school improvement Yet the job can be a solitary one offering few opportunities to reflect with colleagues What does it take to manage the work of continuous improvement to push staff members constantly to operate outside their comfort zones What dilemmas and challenges must principals confront How can school leaders learn from their mistakes and move forward In *Becoming a School Principal* Sarah E Fiarman describes her first few years as a school principal committed to enacting a powerful vision of leading and learning Drawing thoughtfully on the literature of school reform and change leadership Fiarman discusses a wide range of topics including empowering teachers building trust addressing racial and economic inequities and supporting a culture of continuous learning as well as thornier issues such as learning to use authority skillfully dealing with resistance and managing supervision and evaluation The book addresses common challenges and highlights missteps as well as successes A contributing author to several leading books on school reform and instructional improvement Fiarman engages readers in a lively frank and revealing conversation about building the vision and capacity to provide effective instruction for all students and the intensely personal process of learning to lead

How to be a Transformative Principal Jethro Jones, 2022-03-25 Being a principal requires you to serve many different people The job can feel overwhelming But it does not need to feel that way Because many principals have already figured out what works and how to be great This book is the culmination of over 400 interviews the author conducted on his Transformative Principal Podcast and these interviews hold the key to finding success as a principal a principal that is not just trying to lead a school but making lasting change that will make their school better for their students With insight from some of the greatest minds in education and some of the best principals that nobody has ever heard of Jones distills the secrets to success into small action steps you can take to make your school amazing Jones relates stories of great success horrific failures and everything in between The book is structured to help you focus on one area in each month for a school year Truly you can start anywhere and work on that piece in that month Further each chapter has activities to help you make improvements in each area Whether you are a brand new principal or working in your 32nd year in a school this book will

help you improve your leadership **Dear Principal 100 TIPS for BECOMING a GREAT SCHOOL LEADER** E. Carson, 2012-04-21 Quick guide for being a principal in a school thoughts on being a good school leader The Principal's Field Manual Michael B. Ayers, William A. Sommers, 2009-06-09 An extensive and comprehensive resource for aspiring as well as practicing school leaders at every level For aspiring school leaders this book provides a multifaceted look at the complexity of school organizations For practicing school leaders the design of the content the broad array of useful information the action checklists the quick read guidelines and the extensive references provide readers with a useful guide Gerald N Tirozzi Executive Director National Association of Secondary School Principals An original proven approach to help you meet challenges head on Research has shown that effective school leadership is a key factor in promoting high student achievement This very practical easy to use reference draws from leadership lessons learned in both education and business Written as a field manual for school CEOs to facilitate understanding and operating a school as an organization this book is designed for easy access within a unifying framework to enable flexible use for busy principals Based on the Organizational Effectiveness Model the manual offers a blend of background knowledge and practices that are immediately useful in the context of five elements that are essential to all organizations Mission including the central importance of useful metrics Strategies such as the value of seeing the whole system Structure including skill with conflict management People highlighting the usefulness of political savvy Leadership including the fundamental importance of trust Filled with practical strategies and tools The Principal's Field Manual is an invaluable resource for helping both new and experienced administrators better understand and effectively operate the school as a vital and dynamic organization **So You Want to be a Principal?** Neil Tucker, Have you ever wondered what it would be like being Principal of a school Perhaps you are in a position of Principalship right now and find yourself asking new questions about your role with each passing day Possibly you hold another title within the school where you work and find your curiosity about the job of being a Principal growing You may work closely with him her or from a distance In any case individuals who belong to a school community will collectively hold many assumptions about the role of Principal Some will be true others false This book is prime reading material for Principals of K 12 schools individuals applying for Principalships others who have harboured interests in becoming a Principal but have not yet acted on them as well as any other school professionals who are in a role that demands frequent communication with their Principal So You Want To Be A Principal is presented in three parts as a practical easy to read book The book serves as current and useful professional learning material Its short chapter format invites dipping and quick reading then revisiting for note taking and thoughtful reflection *The Assistant Principal* 50 Baruti K. Kafele, 2020-05-11 ASCD bestseller Baruti Kafele turns his attention to assistant principals in a book designed to spark reflection and clarify the influence of this often misunderstood role You're an Assistant Principal Whatever your status the sole AP in your school one of two or more APs in your school a career AP an AP aspiring to the principalship yours is one of the most misunderstood and

underutilized positions in education Positioned between teachers and the principal you are an instructional leader However you are not the leader of the school Therefore you must carefully navigate your way to ensure that you thrive in your role without stepping on the toes of your principal In *The Assistant Principal* 50 award winning four time principal Baruti Kafele presents reflective questions that encompass the breadth and depth of the assistant principalship from finding your leadership lane to thriving and being an asset to your principal Kafele infuses the book which also includes guidance and insights for principals and aspiring assistant principals from beginning to end with personal anecdotes and accounts of both failures and successes from his years as an assistant principal He arms you with tools and insights that will drive you to view the assistant principalship as critical to the climate and culture of your school as well as to student achievement You assistant principal play a critical role in your school s success The questions that Kafele asks you to consider will aid you as you hone your leadership skills toward becoming an effective leader in your school

The Principal's Field Manual

Michael B. Ayers, William A. Sommers, 2009-05-21 An extensive and comprehensive resource for aspiring as well as practicing school leaders at every level For aspiring school leaders this book provides a multifaceted look at the complexity of school organizations For practicing school leaders the design of the content the broad array of useful information the action checklists the quick read guidelines and the extensive references provide readers with a useful guide Gerald N Tirozzi Executive Director National Association of Secondary School Principals An original proven approach to help you meet challenges head on Research has shown that effective school leadership is a key factor in promoting high student achievement This very practical easy to use reference draws from leadership lessons learned in both education and business Written as a field manual for school CEOs to facilitate understanding and operating a school as an organization this book is designed for easy access within a unifying framework to enable flexible use for busy principals Based on the Organizational Effectiveness Model the manual offers a blend of background knowledge and practices that are immediately useful in the context of five elements that are essential to all organizations Mission including the central importance of useful metrics Strategies such as the value of seeing the whole system Structure including skill with conflict management People highlighting the usefulness of political savvy Leadership including the fundamental importance of trust Filled with practical strategies and tools *The Principal's Field Manual* is an invaluable resource for helping both new and experienced administrators better understand and effectively operate the school as a vital and dynamic organization

Administrative

Passages Denise Armstrong, 2009-09-18 This book makes a much needed contribution to what we know about the role and work of the assistant principal It offers terrific insights into the different challenges one faces after being appointed assistant principal and it provides readers with a rich array of data regarding the mental emotional social and physical adjustments accompanying one s transition to this new role The author refreshingly moves beyond mere description of what assistant principals do as they make their transition to that role and actually helps us gain a sense of the lived experience of becoming and

being an assistant principal The book gives a realistic picture of the cognitive social and emotional conflicts and confusions the daily ups and downs the fears frustrations and highs that are experienced by the men and women undertaking the passage from teaching to administration This book is distinctive for a number of reasons It is an empirical study of the role of the assistant principal There are comparatively few helpful studies and Professor Armstrong's research adds a solid and much needed addition to that body of work It focuses on the transition from being a teacher to being an assistant principal and it reveals much about how the assistant principal's role transition differs markedly from that of the school principal

On the Principal Diseases of Females ... Second edition, etc Fleetwood CHURCHILL (M.D.),1844

Handbook of School Improvement Jo Blase,Joseph Blase,Dana Yon Phillips,2010-03-30 Capturing insights from 20 successful principals this illuminating book presents real world strategies that help school leaders refine their administrative skills and generate dramatic improvements in schoolwide achievement

A Practical Treatise on the Principal Diseases of the Lungs George Hume Weatherhead,1837

A Treatise on the principal diseases of the eyes. Translated from the Italian, with notes, by J. Briggs. The second edition, considerably enlarged Antonio Scarpa,1818
