On Board The Titanic:

On Board RMS Titanic George Behe, 2012-02-29 It would make the stones cry to hear those on board shrieking Daniel Buckley third class passenger For the first time in this moving new book Titanic's passengers and crewmen are permitted to tell the story of that lamentable disaster entirely in their own words Included are letters postcards diary entries and memoirs that were written before during and immediately after the maiden voyage itself Many of the pre sailing documents were composed by people who later lost their lives in the sinking and represent the last communications that these people ever had with their friends and loved ones at home The subsequent letters and postcards give an unparalleled description of the events that occurred during the five days that Titanic was at sea and the correspondence by survivors after the tragedy describes the horror of the disaster itself and the heartbreak they experienced at the loss of those they loved This poignant compilation by Titanic expert George Behe also contains brief biographies of the passengers and crewmen victims as well as survivors who wrote the documents in question

[Titanic's Lifeboats](#) James W Bancroft, 2025-11-30 A dramatic retelling of the personal stories of the men women and children survivors of the Titanic lifeboats Foot by foot Titanic's lifeboat No 11 slowly jerked its way down the sides of the great ocean liner as it slipped beneath the cold dark waters of the Atlantic For the fifty or so men women and children crammed into the lifeboat survival was all that mattered Even then though the American fashion designer Edith Rosenbaum Russell ferociously clung to her pig shaped music box until she was rescued its tunes helping to quell the fears of the frightened children onboard Unlike so many of those onboard Titanic that fateful night in April 1912 everyone in lifeboat No 11 would be rescued Bridget McDermott had brought a new hat before she set off for America

Bridget climbed into one of the lifeboats believed to be No 13 before realising she had left her precious purchase behind. She climbed out of the lifeboat, retrieved her hat from her cabin, ran back to the open deck and jumped fifteen feet from a rope ladder onto the lifeboat. Other garments played an important part in the survival of one of the lifeboats which sprung a leak with the people onboard using clothes to plug the hole. Charles Joughin, the head baker aboard Titanic, floated in the near-freezing ocean for around two hours before being pulled out of the water onto one of the lifeboats. He had not succumbed to the cold due to the amount of alcohol he had drunk. Masabumi Hosono, a civil servant from Tokyo, was the only Japanese passenger onboard Titanic and, being a man, he accepted that the women and children first policy had sealed his fate. However, when a crew member shouted that there were two spaces left in a lifeboat, No 10, Hosono jumped in. As Japanese honour considered it far better for a man to suffer an honourable death than to survive in a shameful manner when he reached his homeland, he was ostracized by his family and lost his job. When it sailed, Titanic carried twenty lifeboats that between them could accommodate 1,178 people, a little over half of the 2,209 on board. The night the liner sank, eighteen of these life-saving craft were used that night but tragically only 706 people found a space in them. This is the dramatic and moving story of the men, women and children who made it into the lifeboats that fateful night in April 1912. *The Sinking of the Titanic* Logan Marshall, 2011-08-31. When she set sail from Southampton on her maiden voyage to New York on 10 April 1912, RMS Titanic, the pride of the White Star fleet, was the largest ocean liner in the world. Deemed practically unsinkable because of her double-bottomed hull and watertight compartments, she carried over 2,000 passengers and crew, although only sufficient lifeboats for just over half that number. Four days out of Southampton on the night of 14 April, she struck an iceberg in the North Atlantic and sank within a matter of hours. Around 1,500 lives were lost. Logan Marshall interviewed the survivors in the immediate aftermath of the disaster and in this book he recorded the facts as they were known. Well established as part of the canon of Titanic literature, this book is a must-have for anyone with an interest in the ship and her sorrowful fate. On Board the Titanic Shelley Tanaka, 1996. Seventeen-year-old Jack Thayer explores the Titanic and forms a brief friendship with another passenger before experiencing the wreck of the giant ocean liner. **The Summary**, 1912.

and ramifications that followed the disaster The book seeks to answer controversial questions such as whether steerage passengers were detained behind gates and also reveals the names and aliases of all passengers and crew who sailed on Titanic's maiden voyage Containing the most extensively referenced chronology of the voyage ever assembled and featuring a wealth of explanatory charts and diagrams as well as archive photographs this comprehensive volume is the definitive go to reference book for this ill fated ship The Insurance Field ,1912 Vols for 1910-56 include convention proceedings of various insurance organizations The Parliamentary Debates (official Report). Great Britain. Parliament. House of Commons,1912 **Lead Thou Me On: A Portrait of Titanic's Heroine, Lady Noël Leslie, Countess of Rothes** Dr. Lona Bailey,2025-04-15 Lead Thou Me On tells the compelling story of one of Titanic's most unsung heroines Britain's Lady No 1 Leslie Countess of Rothes was one of the 325 first class passengers to board the luxury ocean liner on April 10 1912 Four nights into the voyage infamous disaster struck when The White Star's flagship collided with an iceberg in the Atlantic sending all aboard into panic The few lifeboats Titanic carried were frantically dispatched from the top deck amid the mass hysteria of frightened passengers of all classes With a massive gash in the side of her hull from the iceberg the celebrated show ship began to take on the Atlantic's frigid water and sink deeper and deeper under the enveloping sea's surface White Star Line staffers gave women and children priority in the frenzied loading of lifeboats Able Seaman Thomas William Tom Jones was given charge of lifeboat number eight as it was filled to half capacity with a few more than thirty passengers Tom needed a second seaman to steer the lifeboat's tiller and Britain's Countess of Rothes with her pearls and fur coat under her life jacket was chosen for the arduous job The hymn Lead Thou Me On became much more than lyrics that night as the Countess relied on God to see fellow survivors to safety Beyond the doomed voyage of Titanic Lady No 1 had a fascinating and Christ honoring life that is being told for the first time through full length biography **Report** Commonwealth Shipping Committee,1912 I Was There Shelley Tanaka,Ken Marschall,1996 Seventeen year old Jack Thayer explores the Titanic and forms a brief friendship with another passenger before experiencing the wreck of the giant ocean liner **The Public** ,1912 Hazell's Annual ... a Cyclopdic Record of Men and Topics of the Day ...
