## On Canadian Poetry:

*On Canadian Poetry* Edward Killoran Brown, 1973      *On Canadian Poetry. (Second Edition.)*. Edward Killoran BROWN, 1944      **The Picturesque and the Sublime** Susan Glickman, 1998-07-16 Glickman argues that early immigrants to Canada brought with them the expectation that nature would be grand mysterious awesome even terrifying and welcomed scenes that conformed to these notions of sublimity She contends that to interpret their descriptions of nature as negative as so many critics have done is a significant misunderstanding Glickman provides close readings of several important works including Susanna Moodie's Enthusiasm Charles G D Roberts's Ave and Paulette Jiles's Song to the Rising Sun and explores the poems in the context of theories of nature and art Instead of projecting backward from a modernist perspective Glickman reads forward from the discovery of landscape as a legitimate artistic subject in seventeenth century England and argues that picturesque modes of description and a sublime aesthetic have governed much of the representation of nature in this country      **In a Fragile Moment: A Landscape of Canadian Poetry** Miguel Angel Olive Iglesias, 2019-12 In a Fragile Moment A Landscape of Canadian Poetry is a significant study of Canadian poetry When was the last time that you can recall a project of this range This perceptive book truly is a one of a kind      *Selections from Canadian Poets* Edward H. Dewart, 1973-12-15 Selections from Canadian Poets set an important precedent when it was published in 1864 It was the first anthology of native Canadian poetry and was compiled as Edward Hartlet Dewart explained in order to rescue from oblivion some of the floating pieces of Canadian authorship worthy of preservation in a more permanent form This anthology like any other reflects the tastes of the anthologist and the tenor of the times Pre confederation poets had deeply felt ties with other countries from which developed a shared concern for what Douglas Lochhead terms in his introduction the now and the place often described in terms of the past and the other place which embraced a still larger loyalty religious political philosophical and above all nationalistic Dewart was widely commended by critics of his attention for its endeavour to come to grips with the influences of other literatures mainly English and for its realization that so called colonialism was a major shaping force of Canadian poetry On the first page of his essay Dewart states that A national literature is an essential element in the formation of national character These words as well as his perceptive appraisal of the problems of Canadian literary endeavours still apply today and make this reprint timely and pertinent      **Mimic Fires** D. M. R. Bentley, 1994 In this survey and analysis of long poems written about Canada between 1690 and 1900 D M R Bentley establishes literary contexts for a greatly neglected period of Canadian literature He also provides critical discussions of the poems addresses larger questions of tradition and intertextuality and demonstrates the existence of a continuity in Canadian writing from the colonial to the post colonial period      Surviving the Paraphrase Frank Davey, 1983 The essays collected here have been written against the background of Davey's long and close intellectual engagement with the major critical issues of his day and provide a clear sense of his very substantial contribution to contemporary criticism in Canada To critical theory he has added his voice on

behalf of post modernist writing and perhaps as clearly as any other writer has articulated the theory of post modernism He has given our criticism its contemporary voice its sound and its rhythms and to the mood of our most recent critical writing added his generous and welcoming spirit A writer on the side of life he has spoken for life and vitality as an active engaged spirit of our time      *Canadian Poets* John William Garvin,1916      Open Country Robert Lecker,2007-08-24 Open Country Canadian Literature in English Canadian Poetry is a contemporary showcase of the country s writing The collection includes extensive annotations that offer new interpretive possibilities for the study and appreciation of Canadian literature Editor Robert Lecker provides an unparalleled view of Canada s literary evolution This volume brings together poetry by 58 authors who gained prominence between 1825 and the present with an emphasis on contemporary writers and a focus on identity race gender and sexuality It also includes the complete texts of well known long poems such as Isabella Valancy Crawford s Malcolm s Katie Earle Birney s David and Robert Kroetsch s Seed Catalogue Organized chronologically the works of each author are introduced by a detailed bio critical essay that provides background information about the influences and ideas shaping the selected works as well as the author s career Open Country Canadian Literature in English Canadian Poetry combines recognized works in the Canadian canon with innovative challenges to the tradition creating a dynamic balance between the established and the new      **The Ivory Thought** Gerald Lynch,Shoshannah Ganz,Josephene Kealey,2008-02-28 If one poet can be said to be the Canadian poet that poet is Al Purdy 1918 2000 Numerous eminent scholars and writers have attested to this pre eminent status George Bowering described him as the world s most Canadian poet 1970 while Sam Solecki titled his book length study of Purdy *The Last Canadian Poet* 1999 In *The Ivory Thought* Essays on Al Purdy a group of seventeen scholars critics writers and educators appraise and reappraise Purdy s contribution to English literature They explore Purdy s continuing significance to contemporary writers the life he dedicated to literature and the persona he crafted the influences acting on his development as a poet the ongoing scholarly projects of editing and publishing his writing particular poems and individual books of poetry fiction and non fiction and the larger themes in his work such as the Canadian North and the predominant importance of place In addition two contemporary poets pay tribute with original poems Published in English      **Canadian Poetry** , The University of Toronto English Library presents information on Canadian poetry and poets The library highlights literary events awards and grants as well as poetry courses featured poems poetry journals and magazines and Canadian poets      *The White Savannahs* W.E. Collin,1975-12-15 *The White Savannahs* originally published in 1936 is the first study of Canadian poetry from a modern point of view It contains essays on Archibald Lampman Marjorie Pickthall E J Pratt Leo Kennedy A M Klein A J M Smith F R Scott Marie Le Franc and Dorothy Livesay The contributions are based on a series of analytical essays originally published in the *Canadian Forum* and in the *University of Toronto Quarterly* Professor Collin s work added much to the establishment of a new climate of opinion among readers and publishers of poetry in Canada      *New American and Canadian Poetry* John Gill,1971      **You Are Here** James

Pollock,2012-11-15 Northrop Frye wrote that for Canadian poets the question of identity isn't so much Who am I as Where is here In his ground breaking collection of essays *You Are Here* James Pollock gives his answer that where we are as a literary culture has a great deal to do with our relationship to elsewhere For far too long Canadians have refused to read our poetry in the larger international context of poetry as an art leaving our poets isolated and ignored Pollock sets out to situate our verse on the map of world poetry a map which like one of those incomplete globes from the sixteenth century still leaves Canada largely uncharted Acutely intelligent and unflinchingly honest in its judgements *You Are Here* is an eye opening guide to the new world of Canadian poetry sensitively exploring the work of such poets as Anne Carson Daryl Hine Jeffery Donaldson Karen Solie and Eric Ormsby The collection ends with a witty treatise on good criticism and a passionate and learned reconsideration of poetic values making *You Are Here* an essential companion for students and lovers of Canadian poetry everywhere

**Among the Millet and Other Poems** Archibald Lampman,2022-09-16 In *Among the Millet and Other Poems* Archibald Lampman masterfully weaves nature and emotion into a tapestry of poignant lyricism This collection showcases Lampman's signature style characterized by vivid imagery and rich sensory detail exploring themes of nature human experience and the delicate balance between the two Set against the backdrop of late 19th century Canadian literature the poems reflect the romantic tradition while foreshadowing modernist tendencies allowing readers to experience both the beauty and ephemerality of life through Lampman's introspective lens Archibald Lampman often regarded as one of Canada's most significant poets drew inspiration from his surroundings and personal meditations His upbringing in rural Ontario and his deep appreciation for the natural world evidently informed his poetic voice As a member of the Confederation Poets Lampman's work represents the evolution of Canadian poetry at a time when national identity was being firmly established allowing him to encapsulate both local environments and universal themes in a profound manner Recommended for both poetry aficionados and newcomers alike *Among the Millet and Other Poems* invites readers to revel in Lampman's appreciation of nature and introspection This collection not only enriches the Canadian literary canon but does so with lyrical beauty that resonates universally making it an essential read for those seeking a deeper understanding of the human experience

**The Book of Canadian Poetry** Arthur James Marshall Smith,1957 **Public Poetics** Bart Vautour,Erin Wunker,Travis
