Buckingham,2010-03-18 Free Will No Choice is Wendy Buckingham s first published work a memoir which chronicles her childhood adolescence and how she came to meet and join The Unification Church of Rev Sun Myung Moon She was to be a faithful follower for half of her adult life before becoming disillusioned by it all after making a pilgrimage to Korea intended to further deepen her faith The story opens with the recollection of a picture perfect day with her and her playmates enjoying a carefree life in a wooded bedroom community in the northwest suburbs of Chicago in the mid 1950s The tragic death of her older sister from leukemia at age 8 creates a tangible disturbance in the family and as happens all too frequently when such a tragedy strikes a young married couple her parents divorce not long after Her mother decides to move back to her hometown of Denver with Wendy and her younger sister Georgia just as the girls are reaching adolescence Mother realizes that she cannot survive for long as a single mom with two daughters without an income and sets her sights on well to do bachelors in the Denver social circles Drugs and alcohol come to be convenient avenues of escape for the author as she is moved in and out of a variety of schools before finally graduating from high school back in Illinois She has the opportunity to do some traveling with Georgia before the independent minded Hitchcock sisters seemingly go their separate ways In 1975 a letter from Georgia from a new age community outside of San Francisco gets Wendy s attention Sensing that Georgia may have been lured into a cult of some kind the author decides to travel to the west coast to see for herself what sister has gotten herself into Long story short Georgia s stay with the Creative Community Project aka The Unification Church ends within 3 months Wendy s is to last considerably longer Positive changes in mind body and spirit are immediately evidenced for our heroine who begins to experience a most substantial presence of and relationship with God The first seven years in the movement are spent on MFT Mobile Fundraising Teams raising money to support Rev Moon in his vision of building the Kingdom of Heaven on Earth even though Jesus very plainly said that The Kingdom of Heaven is within you Having laid the

seven year foundation of fundraising to qualify to be matched engaged and blessed married by Sun Myung Moon the scene shifts to New York City and the New Yorker Hotel now the World Mission Center for The Unification Church where Rev Moon is preparing to match 1 500 men and women with unshakeable faith in him as the 2nd Coming of Christ Wendy emerges from the ceremony with her fianc Francis Buckingham and her foot soldier days are behind her As family life begins they find in one another alternative sounding boards for what they really believe and why they are doing what they're doing With the arrival of their son in 1991 the demands on their time and the little money they have for themselves become more and more unreasonable and unbearable Where is the messiah when you really need him As the storm clouds loom in the distance hope arrives in the form of a book they discover sitting on a shelf in the home of another church couple It's entitled A Course in Miracles It begins by stating Nothing real can be threatened nothing unreal exists Herein lies the Peace of God The story of the next leg of the journey is now in progress the power of Faith guided by Wisdom

**Humans Being** Lou Ann Daly,2009-07

Like asking the eagle to lumber or bear to fly you will never find your own graceful state of being by looking outward for direction Grace appears when you step inward to your unique essence and walk your own path Humans Being is a book dedicated to all who long to find their voice pursue their passion and live more fulfilling creative and healthier lives It offers a

simple framework in the form of the Universal Soul Grid for reconnecting with unique purpose and voice and for recognizing unconscious choices that block creativity insight and lives of ease The exercises are designed tp provide practice fields for readers to engage at their own pace and to reinforce what it means to live in grace listen to the heart and lead a life of clarity and courage The path to lives of ease and grace is available to all and yet not all of us have been engaging all aspects of this path But its influence and prompting in your life become clear when you look squarely at who you are becoming the results of your choices and the relative ease or difficulty of your life The simple truth in your heart in whatever form you recognize it serves your own unique journey As long as you remember that point faith and courage more easily follow The desire to open your eyes and see where you invest your energy to hold yourself back for whatever reason becomes a curiosity rather than a failure And the possibility of greatness and living your dreams emerges much more clearly
