Excerpt from On Civil Liberty and Self Government The first edition of Civil Liberty and Self Government was published in 1853 when Dr Lieber was a professor in the University of South Carolina the second enlarged by notes and corrected appeared in 1859 two years after he had accepted a chair in Columbia College New York The second edition was exhausted when he died October 2 1872 and if he had lived he would I think have prepared a third edition for the work had come pretty

extensively into the hands both of college students and of mature men of literary culture But the last years of Dr Lieber's life after the war with the duties and studies which it laid upon him was over were occupied with other literary work And so there has been for some time an important gap in the works which can be recommended to the student of political science The author of this preface was requested by the family of Dr Lieber to undertake the office of preparing both the Civil Liberty and Self Government and the Political Ethics for a new edition The former as being most in demand it was thought best to get in readiness for the press first the other it is probable will be given to the public after no very long interval The writer of these lines had long been familiar with this work About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *On Civil Liberty and Self-Government, Vol. 2 of 2 (Classic Reprint)* Francis Lieber, 2018-01-25 Excerpt from On Civil Liberty and Self Government Vol 2 of 2 It correctly stated that an order was made to me to remain in that country and govern it The impression which generally prevails About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
