As It Is in Heaven Greg Laurie, 2014-01-01 Our lives here are so often cluttered with the cares of this world that we fail to consider heavenly priorities and how they should be reflected in our earthly ones. At the beginning of Jesus' most famous prayer He teaches us to pray that God's will be done on earth as it is in heaven. What heaven is up to is critical for us to understand if we're going to live biblically. Pastor Greg Laurie explains that heaven is anything but a long, boring church service. People in heaven know about the time and place of ongoing events on earth. They are rational and recall everything from their earthly days but most importantly for us they have a unique perspective from which we can learn a great deal. In this rich and relevant study Greg sheds scriptural light on the sensational books and stories about people going to heaven and coming back. Answers the nagging questions we are all dying to ask and guides us to focus right now on what really matters.

On Earth As It Is in Heaven C. Peter Wagner, 2012-10-05 There has been an intense and growing debate in recent years regarding dominionism and what it means for Christians' involvement in business, politics, education, entertainment and other realms of societal influence. Now Dr. Peter Wagner brings Spirit-inspired clarity to the conversation with this essential guide for believers who want to impact our world for God's kingdom. This invaluable study examines powerful strategies God has revealed to His people in recent days and answers persistent questions with clear biblical wisdom. Is wealth a legitimate tool of the church? How do today's workplace apostles lead in spiritual battle? Does God allow His people to make some decisions about the future? How is dominion theology operational in our world today? This groundbreaking study lays a biblical theological and inspirational foundation for the mandate God has given His people.

On Earth As It Is in Heaven Lee Woofenden, 2005 Heaven and Hell has always been Emanuel Swedenborg's most popular book and for good reason. Yet here we all are living on earth not in heaven. What good is talking about heaven if it doesn't make a difference for our lives here on earth? Jesus responds with "On earth as it is in heaven." You can think of this book as a commentary on that one line from the Lord's Prayer. What does it mean for God's will to be done on earth as it is in heaven? What is God's will anyway? And how do we do it here on earth? Another way of asking these questions is: How do we make earth more like heaven? In eleven reflections originally preached as sermons in the fall of 2003 at the New Jerusalem Church in Bridgewater, Massachusetts, the Rev. Lee Woofenden explores this question drawing on Jesus' Parables of the Kingdom from the Gospel of Matthew for inspiration and using Swedenborg's spiritual classic Heaven.

On Earth as It Is in Heaven D. C. Thielmann,2016-09-06 Jesus of Nazareth was a first century Palestinian Jew who was wholly dedicated to his Judaism and he arose during a turbulent period of history for the Jewish people living under the oppression of the Roman Empire From his brief few years of ministry a new religion Christianity came into being But does modern Christianity accurately understand Jesus s charismatic life teachings and overall goal in God s ultimate plan for humankind that Jesus so eloquently spelled out in the Lord s Prayer to bring about life on earth as it is in heaven On Earth as It Is in Heaven is a two volume study commentary and spiritual guidebook that investigates the historical Jesus in the context of God s ultimate plan for humankind and it covers how the accurate portrait of Jesus and his message have been altered since the first century through today The first volume opens with an examination of the appeal and significance of the New Testament message and it concludes by exploring how the early church altered Jesus s message after his death The second volume further investigates the connection between the Dead Sea Scrolls and the New Testament and it explains how it is Jesus s Judaism that speaks to the true origins of Christianity Correctly understanding the changes that were made to the historical Jesus and his message is essential for all modern followers of Jesus and restoring an accurate portrait of Jesus is what will help believers understand God s ultimate plan for humankind
