## On Finding God:

*Finding God in Unexpected Places* Philip Yancey, 2005-03-15 The traces of God can be found in the most unexpected places an Atlanta slum a pod of whales off the coast of Alaska the prisons of Peru and Chile the plays of Shakespeare a health club in Chicago yet many Christians have not only missed seeing God they've overlooked opportunities to make him visible to those most in need of hope In this enlightening book author Philip Yancey serves as an insightful tour guide for those willing to look beyond the obvious pointing out glimpses of the eternal where few might think to look Whether finding God among the newspaper headlines within the church or on the job Yancey delves deeply into the commonplace and surfaces with rich spiritual insight Finding God in Unexpected Places takes readers from Ground Zero to the Horn of Africa and each stop along the way reveals footprints of God touches of his truth and grace that prompt readers to search deeper within their own lives for glimpses of transcendence

*Finding God in the Bible* Ken Wilson, 2005-05-01 Have you ever wanted to share the Good News with a friend but couldn't find the right words or weren't sure which tract to use More than a tract Finding God in the Bible is a short Bible study that explains the plan of salvation and invites people to a personal relationship with Jesus Let them discover for themselves what God says in His Word through gentle guidance given by Ken Wilson **Finding God**

John M. Mulder, Hugh Thomson Kerr, 2012-08-13 The search for God is a staple of human history Finding God records sixty first person accounts of Christians who found God in different ways and the impact this discovery made on their lives and on the world in which they lived Ranging from the first century to the present Finding God is a fascinating digest of conversion stories from a wide variety of people from the apostle Paul to the rock musician Bono These narratives together demonstrate the remarkable diversity of spiritual journeys and the dramatic changes that can result from encounters with God Both instructive and inspirational Finding God will expand horizons and deepen the faith of those who seek insight into the age old spiritual quest to find God

Finding God Jim Hall, 2019-12-12 Based on the song Looking for Love in All the Wrong Places Finding God Looking for Him in All the Right Places helps people change course and choose a more satisfying fulfilling and meaningful path Author Jim Hall discusses how attaining happiness can't be found through such things as work status video games cell phones and other superficial means but rather through the Bible and God Finding God is about making decisions and committing to them language being able to articulate what our words mean modern culture including its fascination with technology you and the need for more peace meaning and satisfaction in your life consciousness and the role God plays in it and Jesus of Nazareth the most influential person ever born In Finding God Hall offers a look at God Jesus the Bible and the reasons why you need to bring them actively into your life Seeking & Finding God (B) Dave Hunt, 2021-04-02 It is

astonishing how many millions of otherwise seemingly intelligent people are willing to risk their eternal destiny upon less evidence than they would require for buying a car or even a low carb food item yet the belief of so many particularly in the area of religion has no rational or factual foundation With well researched arguments and compelling proof this book

demonstrates that the issue of where one will spend eternity is not a matter of preference like joining the Elks instead of the Lions In fact there is overwhelming evidence that we are eternal beings who will spend eternity somewhere But where will it be And how can we know There is no more important question to be faced and answered [Finding God When You Need Him Most](#) Chip Ingram,2007-02-01 In this encouraging book Chip Ingram reveals how readers can meet God in the midst of their most difficult circumstances Chip s candid discussion personal stories and solid guidance will allow readers to move from knowing about God to profoundly experiencing his presence and power in their lives Whether they re struggling with rocky relationships unexpected crises depression or injustice Finding God When You Need Him Most will remind readers that the Lord is faithful to hear their heart s cry and will be there for them time and again **Finding God** Paul Weimer,2005-03 Amid all the religious confusion of our times there is a sure gate to the truth about God and everlasting life Find the reality in Gods own directions He gives in the Book of Books **Finding God** Dwight L. Moody,1958-01-01 D L Moody gives fourteen sermons on the Way of Salvation including such titles as God Is Love and Seek the Lord **Finding God in the Universe** Guy Consolmagno,2022-04-19 How does a scientist find God in the universe Finding God in the Universe is the personal reflection of a Jesuit brother and astronomer the director of the Vatican Observatory Br Guy Consolmagno SJ insists that science is more than observing the universe it s learning how to pay attention how to concentrate on one aspect while setting aside at least momentarily all the other interesting aspects that can distract us from a deeper knowledge of the universe or of God In his telling joy is our compass truth is our goal and imagination weaves the story where we situate the joy that leads us to truth Most importantly both science and theology are done within a community of fellow seekers where we share the stories that teach us how to explore and with whom we can try to make sense of what we think we have found In the My Theology series the world s leading Christian thinkers explain some of the principal tenets of their theological beliefs in concise pocket sized books **Finding God in All Things** Brian Grogan,2021-04-01 Fr Brian Grogan has written an extraordinary book for ordinary people In simple clear language he shows how God is involved in all the details of our lives God does not blush easily at our faults he writes In failure or in success every individual remains uniquely important to God He waits for us searches for us and cares for us always drawing us to the person of Jesus who offers himself as our constant companion on our pilgrim way and who helps us to shape our world by making wise decisions [Finding God in the Margins](#) Carolyn Custis James,2018-02-24 The ancient book of Ruth speaks into today s world with astonishing relevance In four short episodes readers encounter refugees undocumented immigrants poverty hunger women s rights male power and privilege discrimination and injustice In Finding God in the Margins Carolyn Custis James reveals how the book of Ruth is about God the questions that surface when life falls apart and how God reaches into the margins and chooses two totally marginalized women who in the eyes of the patriarchal culture are zeros Against the backdrop of disturbing issues in today s world this bracing narrative puts on display a radical gospel way of living together as human beings that shouts the Kingdom of God
