On Fire for God Oliver Gann,2010-06 This book is unlike most If you read this book and are outside of a Biblical faith in Christ it will challenge and compel you to rethink what your thoughts may have been about life God Jesus the Bible heaven hell religion etc If you plan to read this book and are a true Biblical follower of Jesus Christ but have felt empty with your Christian experience you will encounter some answers as to why But it will be risky for you because you may get offended if you have held onto anything or anyone more dearly than Christ If you read this book as someone who has passionately loved the Lord and have been deeply fulfilled by Him this volume can reinforce and strengthen your faith This book is about the church that is all people who have placed their faith in Christ alone for the forgiveness of sins But it doesn t just simply discuss people who profess to be Christians It discusses how there is a serious lack of revival and a growing surge of hypocrisy within the church This has led to the world that s outside of Christ to be tuned out and turned off to anything that s done in the name of Christ It has led to a lackadaisical boring life for most Christians There needs to be a change There has to be a fire ignited in the church again On Fire For God offers a fresh Biblical perspective on how to get the fire back that once was If you have an interest in having a passionate loving fire for God then turn the ignition buckle your seat belt step on the gas and get started **Are You on Fire for God** Kingsley Mitchell,2005-03 This book will open your eyes change your life and transport you into the next dimension of spiritual maturity It will also guide you into living a consecrated life before God

Many people believe in God and believe that God is everywhere but they have yet to experience his presence What did it mean for Moses to encounter God at the burning bush How did it change his life and his perception of God What is keeping you from experiencing his presence in your life It was in that burning bush experience that Moses began to understand and appreciate the sacredness of worship Through this book Tozer teaches how proper worship has to be equal to the one we are worshiping so if we are worshiping God we must do it on his terms This means having a spirit of reverence and holiness like Moses taking off his shoes and kneeling before him The bush s fire did not frighten Moses but rather it poured the essence of sacredness into his life giving him an experience he had never had before Let this book teach you how like Moses to kneel and worship before God s holy fire
