On Kafka:

On Kafka's Castle Richard Sheppard, 1973 Two very good friends plan for Mother's Day go to the beach experiment with new shoes and dig tunnels **CliffsNotes on Kafka's The Metamorphosis & Other Stories** Herberth Czermak, 2001-10-05 This CliffsNotes guide includes everything you've come to expect from the trusted experts at CliffsNotes including analysis of the most widely read literary works **CliffsNotes on Kafka's The Trial** Herberth Czermak, 1999-03-03 This CliffsNotes guide includes everything you've come to expect from the trusted experts at CliffsNotes including analysis of the most widely read literary works *On Kafka* Franz Kuna, 1976 **Franz Kafka** Harold Bloom, 2010 A collection of critical essays on Kafka and his work arranged in chronological order of publication **Franz Kafka** Sander L. Gilman, 2005-09-15 This short and readable critical biography emphasizes the relationship between Franz Kafka's life and works as read through his culture and his understanding of his own body Kafka's writings letters and diaries provide a window into his ongoing attempt to create an identity for himself in a world where being a Central European Jew dictated an uneasy fate Sander L. Gilman stresses the image and role of the Jew in Kafka's world of the modern and how Kafka responded to these attitudes actions and stereotypes Gilman also looks at the impact of psychoanalysis on Kafka and his works The book contains much material that elucidates how Kafka reshaped such experiences of the world in his literary texts It examines the creation of the Kafka myth after his death presenting material emerging from the subsequent eighty years including work by such illustrious minds as Walter Benjamin and Ted Hughes **BOOK JACKET** **Kafka** Ritchie Robertson, 2004-10-28 When Gregor Samsa awoke one morning from troubled dreams he found himself transformed in his bed into a monstrous insect So begins Franz Kafka's most famous story *Metamorphosis* Franz Kafka 1883-1924 is among the most intriguing and influential writers of the twentieth century During his lifetime he worked as a civil servant and published only a handful of short stories the best known being *The Transformation* All three of his novels *The Trial* *The Castle* and *The Man Who Disappeared* were published after his death and helped to found Kafka's reputation as a uniquely perceptive interpreter of the twentieth century Kafka's fiction vividly evokes bizarre situations a commercial traveller is turned into an insect a banker is arrested by a mysterious court a fasting artist starves to death in the name of art a singing mouse becomes the heroine of her nation Attending both to Kafka's crisis-ridden life and to the subtleties of his art Ritchie Robertson shows how his work explores such characteristically modern themes as the place of the body in culture the power of institutions over people and the possibility of religion after Nietzsche had proclaimed the death of God The result is an up to date and accessible portrait of a fascinating author which shows us ways to read and make sense of his perplexing and absorbing work **ABOUT THE SERIES** The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics

highly readable **On Kafka** ,1976 **Journal of the Kafka Society of America** ,1993 *Kafka's 'Landarzt' Collection*
Gregory B. Triffitt,1985 Deriving from one of the most turbulent yet fruitful periods in Kafka s career some of the 14
Landarzt pieces have attracted hundreds of commentators But very few scholars have concerned themselves with the work
as a totality and none of them has adequately accounted for the quite specific ordering of the pieces although Kafka himself
set considerable store by the matter Through a detailed examination of previous Kafka research and a thorough analysis of
the collection as a subtly structured unity this study attempts to make good the omissions of earlier inter preters The
Witch of Prague Francis Marion Crawford,1890 On Kafka's Castle Richard Sheppard, **Kafka's Clothes** Mark M.
Anderson,1992 One should either be a work of art or wear one proclaimed Oscar Wilde at the end of the nineteenth century I
am made of literature I am nothing else and cannot be anything else Franz Kafka proclaimed a brief decade later Between
these two claims lies the largely unexplored region in which the European decadent movement turned into the modernist
avant garde In this original historical study Mark Anderson explores Kafka s early dandyism his interest in fashion literary
decadence and the superficial spectacle of modern urban life as well as his subsequent repudiation of these phenomena in
forging a literary identity as the isolated otherworldly poet of modern alienation Rather than posit a break between these two
personae Anderson charts the historical continuities between the young Kafka and the author of *The Metamorphosis* and *The*
Trial The book demonstrates how clothing functions as a semi private code of meaning in his literary works and the extent to
which the aestheticist notion of becoming the work of art haunts Kafka s conception of writing throughout his life The result
is a startlingly unconventional portrait of Kafka and Prague at the turn of the century involving such issues as Jugendstil
aesthetics Otto Weininger s egoless woman the Viennese critique of architectural ornament the clothing reform movement
anti Semitism and the question of Jewish German writing **New World Review** ,1963 Franz Kafka Franz Kafka,2009
Brings together for the first time in English Kafka s most interesting professional writings composed during his years as a
high ranking lawyer with the largest Workmen s Accident Insurance Institute in the Czech Lands of the Austro Hungarian
Empire Publisher marketing **Frank Kafka** Franz Kafka,2010-09-15 A novella that shaped Western Literature in its time
Notes on Kafka Gertrude Urzidil,1971 **Franz Kafka's The Trial** Paul M. Malone,2003 The low critical opinion of
dramatic adaptations of prose works makes clear that the dramatic text is widely seen as unable to compete with the
narrative text that it adapts Privileging the text of a play as the site of meaning is inadequate however given the social nature
of theatre rather the socio historical context of a production must be investigated to flesh out the meaning of the text in
dramatic production In this study four theatrical adaptations of Franz Kafka s novel *The Trial* 1925 from different decades
and countries and in three different languages illustrate a history not only of Kafka reception but also of society politics and
theatrical practice in western Europe and Canada The diversity of these visions of Kafka s work pleads for the acceptance of
dramatic adaptation as a creative form of interpretation rather than as an ill advised misappropriation of its source
