Scheuerman, 2021-04-20 Christians are all too familiar with the dichotomy between being a Mary sitting at Jesus feet and being a Martha being active in ministry We have been told that before we can do we first need to be And this is well and good But it is insufficient Before we can be we first need to know We need to know who God is God's attributes so that we can then be who we are intended to be in Christ Only then should we seek to do what he has called and equipped us to do for his glory This book focuses on knowing God in his many attributes so that we can become conformed to his image in order to do what he's called us to do to bring the gospel to the world *Knowing God Through the Year* J. I. Packer, 2004-06-01 A year's worth of devotions are drawn from J I Packer's much loved classic of Christian spirituality *Knowing God* **Knowing God**

challenging questions the human mind can pose about God yet he does not reduce divine mystery to dry propositions or neglect the necessity of faith Sheed acknowledges the limits of human words and human minds when it comes to God At the same time he carefully explains the meaning of Spirit the role of theology and revelation including the place of the Bible in the Church and the experience of God in mysticism In the final section Sheed goes into the heart of the mystery of God exploring God as the Trinity and the difference the Trinity should make in understanding God and ourselves The Power of Knowing God Interactive Workbook Tony Evans,2020-08-04 Are you living the life God wants for you God has called you to know and experience Him as your friend your heavenly Father and your companion in life He wants you to know Him intimately and profoundly beyond intellectual studies and emotional experiences In this companion to Dr Tony Evans The Power of Knowing God DVD Dr Evans shares with you his strategies for developing an authentic life transforming connection with God This comprehensive resource provides insightful stories with practical applications to help you seek a deeper relationship with God You ll find this workbook full of relevant Scripture passages reflective questions that will spark conversation and activities for personal growth Use this book in a group or on your own as you make knowing God your life s pursuit and experience the fullness of living life at His side Complete your experience with The Power of Knowing God The Power of Knowing God DVD *Knowing God Personally* Daouth Elias,2014-09-29 This book is about how much God loves human beings even the ones who dont know him He lives It is all in the Bible Old and New Testament God guides us through our entire life How to overcome temptations It is not easy How to fix problems and overcome suffering What does it mean to have any kind of relationship What does it mean to have faith and religion I also have dreams miracles and inspirationabout money and richness I have the preaching from the Ten Commandments the way I understand it I have stories from personal experience How to put our hope in God In this book I am explaining how much God is concerned especially about the sufferer the poor the less fortunate the homeless the sick the orphans the unborn also how much God wants to be our brothers keeper It also discusses the concept of loving your neighbor This book will bring joy and happiness in many hearts It will also bring mercy and peace into hearts of many It is all from God For Christians we know God personally because of Jesus and he is our Savior Formation for Knowing God F. Gerald Downing,2015-04-29 God is Self Revealed we are assured by many Christians today Yet this conviction stems only from eighteenth century Enlightenment debates Early and ongoing Christians with their Jewish roots trusted God as a committed and saving but heavily clouded presence whether by God s choice or our inadequacy or both Continuing Christian tradition has thus insisted that there is much more to this God than we can hope to get our heads round Yet such Christians have trusted that this loving saving triune God s purpose is to transform us Godward The divine Word became as we are so we might become as he is Meanwhile some of us at least can find ourselves drawn to share with our predecessors and one another in imagining how this may be And then we may be drawn to realize in practice what we imagine in active service to God among fellow humans and all God s fragile creation Then we may hope we may

have been brought to know God more nearly as God is Gerald Downing first argued this fifty years ago and here he restates the issues with fresh insights and renewed hope **Steps to Knowing God** Correna R. Barzey,2018-02-28 For an action packed revelation on how to live a satisfied life with Christ every page of this book highlights the truth of God and His desires for us It is filled with spiritual nutrients and helpful tools that will transform and change lives for the glory of God thus giving us the ammunition needed to withstand the evil one Gaining a better understanding of God and developing spiritual qualities that will deepen your devotion to Him and will steadily transform you into His likeness **KNOWING GOD** James

Tarter,2005-06-06 Mankind has many conflicting ideas about what God is really like God created the whole material universe by His Word and then the Word of God emptied Himself to become a speck in a tiny part of it Why To show people exactly what God would be like if He lived in a limited human body like our own This also allowed Him to become a perfect Example of how we should live on earth and to pay a just price for the sins of mankind His creation This little book provides a foundation for understanding the character and nature of God showing how God's provision in Jesus is very different from what any religion provides This difference is vital for preparing us for all eternity God's way to save us through Jesus helps us to grow in true love and cuts through a deadly self righteousness that if God allowed it would even lower the quality of heaven This book was first written for people in South Sudan but can help people anywhere who want to find meaning and purpose for their lives on earth

**In the Beginning Who?** Charles William Hamilton, Jr.,2014-08-20 **IN THE BEGINNING WHO** An Unconventional Guide to Understanding and Knowing God gives people information which may influence them to consider the God of the Book to be a pretty nice guy and therefore decide to give Him a break and get more acquainted with Him on a personal level Our generation has been so effectively saturated by electro tainment disassembled logic flash speak and hypno marketing hype that the understanding and knowledge of God has been crowded out In fact it is rather reasonable that someone may ignore avoid or even downright reject Him as a result of all that stuff It is also plausible that many may have rejected a god who is not the God revealed to us in the Old and New Covenants Charles William Hamilton Jr

**What Is the Point of Knowing God?** Reynaldo R. Budhi,2018-11-29 This book was written in my attempt to open the eyes of readers whose knowledge and understanding of God has been twisted and lied by the demagogues for so long When it comes to faith and how it is practiced readers should learn that people yesterday are no different from most people today The only difference is the sophistication of current methods compared to what they have in the past Giving example of this reality is by dissecting the elements of the Ten Commandments You will note that man's flaws yesterday as described in the Bible reflect the same flaws of our man today We have to accept that man has been the same since the beginning of time However we cannot blame humanity for what they have been made to believe Early thinkers who are Jews started the idea of one God based on signs predictions observations miracles and assumptions They become successful in convincing the world that they have the first hand knowledge of God and people should listen to them Their orientation was formulated based on faith with

little logic of science People are generally unacquainted by predatory preaching ignorant and vulnerable to the influence of more advance demagogues People are ambushed by strong rhetoric which the demagogues always have the upper hand It is fair to say that they are led wrongly exacerbated by ignorance and simply taken advantage of that vulnerability Let me conclude by saying that nobody can really understand the true nature of God We simply have a hint of him but we can uphold his power and benevolence by following the natural laws he imbedded in all of us With that the true love and salvation we can offer him is upholding the golden rule Do to others as you would have them to you Luke 6 31 So help us God
