

# The Mountain.

[lessonslearnedinlife.com](http://lessonslearnedinlife.com)

If the mountain seems too big today  
then climb a hill instead.

If the morning brings you sadness  
it's ok to stay in bed.

If the day ahead weighs heavy  
and your plans feel like a curse,  
there's no shame in rearranging,  
don't make yourself feel worse.

If a shower stings like needles  
and a bath feels like you'll drown,  
if you haven't washed your hair for days,  
don't throw away your crown.

A day is not a lifetime  
a rest is not defeat,  
don't think of it as failure,  
just a quiet, kind retreat.

It's ok to take a moment  
from an anxious, fractured mind,  
the world will not stop turning  
while you get realigned.

The mountain will still be there  
when you want to try again,  
you can climb it in your own time,  
just love yourself til then.

**The Collected Poems of Robert Creeley, 1975-2005**

Robert Creeley, 2008-06-03 The subtlest feeling for the measure that I encounter anywhere except in the verses of Ezra Pound William Carlos Williams It is a study how Creeley lands syntax down the alley and his vocabulary pure English to hit meters and rhymes all of which are spares and strikes Charles Olson Robert Creeley has created a noble body of poetry that extends the work of his predecessors Pound Williams Zukofsky and Olson and provides like them a method for his successors in exploring our new American poetic consciousness Allen Ginsberg His succinctness is like the unfettered flashing of a diamond John Ashbery Robert Creeley was one of the great giants of 20th Century American poetry This collection is his monument Paul Auster American poetry is unimaginable and happily unknowable without Creeley Andrei Codrescu author of it was today new poems Creeley is a touchstone for me a measure of what poetry is He is a genius of the sensorium as Kerouac was and a master of the ear as is Miles Davis He is a carver in space like Van Gogh Michael McClure There is no poetry more vivid immediate or telling than Robert Creeley s His Collected Poems extends the achievement of Dickinson Whitman and Williams into postwar America Creeley s excavation of particular words images and sentiments resonate beyond the pages of this book into the fabric of everyday life This is American invention at its best as necessary as the air we breathe and the ground we walk on Charles Bernstein It isn t what a poet says that counts as a work of art William Carlos Williams once wrote it s what he makes with such intensity of perception that it lives with an intrinsic movement of its own to verify its authenticity I can t think of another contemporary poet whose acute sensitivity to the particular event of making and in poetry making includes breaking each written line is as consummately fine tuned as Robert Creeley s Susan Howe He was the main support in the old house of poetry the main beam C D Wright Brown University alumni newsletter There is no poet like Creeley His multiple subjectivities and magic syllables have kept us curious and honest Never a false step never a less than tender heart for the sound and the brilliant cognitive often fierce power therein What a glorious long life in writing These late poems keep the brilliant tempo We are very lucky he is still so much among us Anne Waldman Robert Creeley transformed the momentary spontaneous music of being alive into a profoundly enduring American art brilliant necessary impeccably scored He made it new for always Peter Gizzi

such as the American chestnut Carolina gorge moss chucky madtom and lampshade spider The anthology brings together art and science to help the reader experience this immense ecological wealth Stunning images by seven Southern Appalachian artists and conversationally written natural history information complement contemporary poems from writers such as Ellen Bryant Voigt Wendell Berry Janisse Ray Sean Hill Rebecca Gayle Howell Deborah A Miranda Ron Rash and Mary Oliver Their insights illuminate the wonders of the mountain South fostering intimate connections The guide is an invitation to get to know Appalachia in the broadest most poetic sense
