Women's Spirituality, Women's Lives Judith Ochshorn, Ellen Cole, 1995 This enlightening book examines how the feminist spirituality movement contributes to the establishment of new paradigms of mental health for women. Women's Spirituality Women's Lives examines possible psychotherapeutic implications for women engaged in feminist spirituality and stimulates much needed conversation between feminist therapists and feminist theologians. Feminist spirituality is part of the current broad challenge to accepted ways of knowing and being. This book argues that as women tell their own stories they create rituals that enable them to feel a sense of control over the future and to move toward a kind of authority agency and autonomy associated with mental health and psychological well being. Women from many cultural backgrounds and religious perspectives have embraced alternative forms of spiritual expression based on profound theoretical challenges to mainstream religious beliefs ranging from calls for the radical reclamation and reconstruction of religious traditions to personal involvement in goddess worship and Wicca. Women's Spirituality Women's Lives presents theoretical, conceptual and experiential chapters that analyze the extent to which these proliferating women's groups represent the beginnings of new norms of mental health for women. Women's Spirituality Women's Lives presents a variety of voices including Native American, Christian, Jewish and Wiccan. Chapters are divided into three sections: Laying the Groundwork, Theoretical Challenges and Living It Out, and explore a diverse array of topics such as the shouting church and Black women's mental health, a traditionalist Native American challenge to New Age cooptation, a feminist group and Jewish women's self identity, lesbian altar making and mental health, feminist Wicca in the U.S. and Germany, the martial arts and women's mental health, the use of feminist rituals in therapy and as therapy. Feminist therapists and theologians as well as other individuals interested in feminist spirituality or alternative spirituality will find this book a fascinating exploration of the various aspects of the spirituality of women. Women's Spirituality Women's Lives is also an excellent reader to expand the thinking of students in classes in women's studies and religious studies.

Golden Nuggets Mandy Arwén, 2019-01-18 Golden Nuggets Your Guide to Practical Spirituality is a divinely inspired spiritual empowerment book written by Archangel Michael and Mandy Arwén. The chapters include concepts, ideas and divine perspectives that Mandy believes in. It is Mandy's goal to energize her readers, broaden their perspectives and encourage them to accommodate the changes that come. This book is filled with guidance and wisdom that she has accumulated throughout her spiritual journey which began in 2003. It is

Mandy's hope that once you have read a few chapters you will begin to see with more clarity and with profound understanding. Each chapter begins with a poignant quote meant to develop your thinking about the subject it precedes. Each of the chapters features guidance and beliefs that Mandy has established through the many workshops, conferences and lectures she has attended, the classes she has taken, the many books she has read, the spiritual, intuitive readings she has given and received, and the information that also comes through Mandy's intuition and inner guidance system. Her conviction is that spirit works with us daily to help us expand and grow.
