

# On Reading Shakespeare

**Maria Franziska Fahey**

## On Reading Shakespeare:

*On Reading Shakespeare* Logan Pearsall Smith, 1961      *On Reading Shakespeare* Maurice Roy Ridley, 1970\*      **On Reading Shakespeare** M. R. Ridley,      *Reading Shakespeare Reading Me* Leonard Barkan, 2024-04-02 A gripping funny joyful account of how the books you read shape your own life in surprising and profound ways Bookworms know what scholars of literature are trained to forget that when they devour a work of literary fiction whatever else they may be doing they are reading about themselves Read Shakespeare and you become Cleopatra Hamlet or Bottom Or at the very least you experience the plays as if you are in a small room alone with them and they are speaking to your life your sensibility Drawing on fifty years as a Shakespearean Leonard Barkan has produced a captivating book that asks us to reconsider what it means to read Barkan violates the rule of distance he was taught and has always taught his students He asks Where does this brilliantly contrived fiction actually touch me Where is Shakespeare in effect telling the story of my life King Lear for Barkan raises unanswerable questions about what exactly a father does after planting the seed Mothers from Gertrude to Lady Macbeth are reconsidered in the light of the author s experience as a son of a former flapper The sonnets and comedies are seen through the eyes of a gay man who nevertheless weeps with joy when all the heterosexual couples are united at the end A Midsummer Night s Dream is interpreted through the author s joyous experience of performing the role of Bottom and finding his aesthetic faith in the pantheon of antiquity And the exquisitely poetical history play Richard II intersects with of all things Ru Paul s Drag Race Full of engrossing stories from family secrets to the world of the theater and written with humor and genuine excitement about literary experiences worthy of our attention and our love Reading Shakespeare Reading Me makes Shakespeare s plays come alive in new ways      **How to Read Shakespeare** Nicholas Royle, 2005 Approaching the writing of major intellectuals artists and philosophers need no longer be daunting How to Read is a new sort of introduction a personal master class in reading that brings you face to face with the work of some of the most influential and challenging writers in history In lucid accessible language these books explain essential topics such as Shakespeare s passion for complexity and his enduring ability to portray the power of love Nicholas Royle conveys the richness and complexity of Shakespeare s work by focusing above all on how to read and enjoy short passages and interpret specific words from the plays and poems themselves Discussing poetry and the question of reading to the nature of memory and forgetting to the power of love Royle covers many of Shakespeare s most prevalent themes Attention is also given to important aspects of historical context and critical reception and debate as well as to the effects of different interpretations and different media stage film the Internet and more Royle s primary concern however is with letting the reader experience anew or for the first time the extraordinary pleasure and stimulation of reading Shakespeare Extracts are taken from a range of Shakespeare s works including Romeo and Juliet A Midsummer Night s Dream Hamlet Twelfth Night Othello The Winter s Tale and the Sonnets      **Reading Shakespeare** Michael Alexander, 2018-10-31 An essential introductory text that provides students with

a lively and enjoyable tour of Shakespeare's life, his writing career and the theatre of his time. Concise yet comprehensive, the guide examines the texts of twenty widely studied plays and the Sonnets, illuminating both their original contexts and their later reception. Lucidly written with no jargon, this is an invaluable overview of Shakespeare's life and works for students who may be studying Shakespeare for the first time. This is an ideal set text for modules on Shakespeare, Jacobean Drama or Renaissance Early Modern Literature, which may be offered at all levels of an undergraduate Literature degree. In addition, it is a helpful resource for students who may be studying Shakespeare's plays as part of a taught postgraduate degree in Literature. New to this Edition: New material on politics and history; Clearer chapter titles and explanation of the scope and rationale of the book; Updated and expanded bibliography with more on gender, performance, politics and history.

**A Guide to Reading Shakespeare's Hamlet** Maria Franziska Fahey, 2013-08-24 Many guides dictate the meanings of Shakespeare's scenes and translate his rich language into more ordinary speech. But *A Guide to Reading Shakespeare's Hamlet* gives readers the tools to understand the play for themselves. A sequence of carefully designed questions for each scene helps readers grasp the play's individual lines and larger ideas; an introduction to figurative language offers techniques to comprehend Shakespeare's abundant imagery; an introduction to meter provides the essentials needed to hear the meanings; rhythm adds to speeches; and a description of the earliest texts of the play printed in 1603, 1604 and 1623 illustrates how a modern edition of *Hamlet* is produced. *A Guide to Reading Shakespeare's Hamlet* gives readers the methods and the confidence to arrive at their own interpretations of Shakespeare's great tragedy.

How to Read a Shakespeare Play David Bevington, 2006-06-16 Designed for readers who want to know how to go about reading Shakespeare's works for pleasure, this work offers readings of *A Midsummer Night's Dream*, *Romeo and Juliet*, *Henry IV Part I*, *Hamlet*, *King Lear* and *The Tempest*. It also talks in theatrical terms about producing the plays on stage or screen.

**The Arden Introduction to Reading Shakespeare** Jeremy Lopez, 2018-09-20 Shakespeare's plays are works of art made out of words. To read the plays closely—that is, to pay careful attention to the multiple shifting meanings of and relationships between their words—is to gain a deep and lasting appreciation for the complex artistry of their construction and of their effects. In fourteen chapters, the book takes readers on a guided tour through some of the most productive sites in Shakespeare's plays for analysis, providing an introduction to the practice of reading Shakespeare's plays closely and some examples of the interpretive work that such close reading can enable. Topics of analysis include verbal patterning, dramatic structure, staging and stage directions, soliloquies and character construction, and poetic meter. This is an ideal teaching text for introductory courses on Shakespeare. Offering a wide range of examples from nearly all of Shakespeare's plays, it will give students the analytical tools they need to develop sustained close readings of their own.

**Reading Shakespeare's Dramatic Language** Sylvia Adamson, 2001 Collection of short essays in two parts: Pt 1 The language of Shakespeare's plays; Pt 2 Reading Shakespeare's English.

*On Reading Shakespeare Aloud* Meredith Paterson, 1990

Reading Shakespeare Historically Lisa Jardine, 1996

**A Guide to Reading Shakespeare's Macbeth** Maria Franziska Fahey, Dr,2012-11-01 Many guides dictate the meanings of Shakespeare's scenes and translate his rich language into more ordinary speech But A Guide to Reading Shakespeare's Macbeth gives readers the tools to understand the play for themselves The greater part of the guide is comprised of a sequence of carefully designed questions for each scene of the play These questions give readers needed guidance to parse the play's sometimes complex and obscure language and to begin to grasp its larger themes Before these scene by scene questions to guide close reading four brief chapters provide information key to understanding the play a description of how modern editions of Macbeth adapt the 1623 First Folio text alerts readers to what editors may introduce an introduction to meter provides the essentials needed to hear how Shakespeare composes differently for witches than for kings an introduction to figurative language offers techniques to comprehend Shakespeare's abundant imagery and an outline of the play's core topics prepares readers to consider its key motifs A Guide to Reading Shakespeare's Macbeth gives readers the methods and the confidence to arrive at their own interpretations of Shakespeare's great tragedy The Reading of Shakespeare James Mason Hoppin,1904 *Reading Shakespeare's Plays* George R. Price,1962 **Reading Shakespeare with Young Adults** Mary Ellen Dakin,2009 Although the works of William Shakespeare are universally taught in high schools many students have a similar reaction when confronted with the difficult task of reading Shakespeare for the first time In Reading Shakespeare with Young Adults Mary Ellen Dakin seeks to help teachers better understand not just how to teach the Bard's work but also why By celebrating the collaborative reading of Shakespeare's plays Dakin explores different methods for getting students engaged and excited about the texts as they learn to construct meaning from Shakespeare's sixteenth century language and connect it to their twenty first century lives Filled with teacher tested classroom activities this book draws on often taught plays including Hamlet Romeo and Juliet Macbeth Julius Caesar and A Midsummer Night's Dream The ideas and strategies presented here are designed to be used with any of the Bard's plays and are intended to help all populations of students mainstream minority bilingual advanced at risk All 20 Easy Reading Shakespeare Books Levels 2-5 William Shakespeare,2010-01-01 ZIM S World of Reading Rhyming Words Identify simple rhyming words coloring drawing cutting and pasting A Guide to Reading Shakespeare's A Midsummer Night's Dream Maria Fahey,2016-10-30 Many guides dictate the meanings of Shakespeare's scenes and translate his rich language into more ordinary speech But A Guide to Reading Shakespeare's A Midsummer Night's Dream gives readers the tools to understand the play for themselves A sequence of carefully designed questions for each scene helps readers grasp the play's individual lines and larger ideas an introduction to figurative language offers techniques to comprehend Shakespeare's abundant imagery an introduction to meter provides the essentials needed to hear the meanings rhythm adds to speeches and a description of the earliest texts of the play printed in 1600 1619 and 1623 illustrates how a modern edition of A Midsummer Night's Dream is produced A Guide to Reading Shakespeare's A Midsummer Night's Dream gives readers the

methods and the confidence to arrive at their own interpretations of Shakespeare's great comedy **Romeo and Juliet**

William Shakespeare, Gren Cartwright, 2013-11

Many people have said to me I wish we'd had this book when I was in school. It is the book I would have liked when I was studying Shakespeare. It is also the book I would have liked when I was teaching in high school.

Twentyfirst Century Shakespeare is a new and exciting approach that opens up Shakespeare to a new generation of students. The text is the full traditional Shakespearean text presented in a more familiar, friendly, helpful format. If you are a student, you will probably find reading Shakespeare easier than you thought possible. You will be able to read through scenes more quickly, more fluently, and with greater understanding. The notes in the margins make things easier by shedding light on tricky words and phrases. You do still have to do some work, but you will be surprised by how quickly you can become familiar with Shakespearean English. This is warm, fuzzy Shakespeare designed to make your life a little easier. But don't take my word for it; open the book and take a look inside. If you are teaching Shakespeare, you will save so much time and energy. You can concentrate on developing your student's breadth and depth of knowledge and understanding. You will hear your students read with more fluency and confidence, with greater expression and comprehension. Teachers can cover more ground and concentrate on what they feel is important. You can help your students make a real connection with Shakespeare. Take a look inside and see how Twentyfirst Century Shakespeare can make life easier in your classroom.

This book evolved from my experience in the classroom. When Shakespeare was introduced into the lower secondary school curriculum in the UK, it became compulsory for 13 and 14 year olds to study a Shakespeare play. The students I taught were used to reading other plays and came to Shakespeare with a genuine enthusiasm and a willingness to participate in a classroom reading of *Romeo and Juliet*. To be fair, they had no trouble reading the short exchanges such as the banter between Samson and Gregory at the beginning of the play, but they did struggle when confronted with longer passages. At first, I assumed that the problem lay in the language: unfamiliar vocabulary, archaic grammar and syntax, and the sheer complexity of Shakespeare's verse. But many students also struggled with longer passages that weren't intrinsically difficult, just long. The solution came when I realised that they were reading to the rhythm of the blank verse, ignoring intonation, punctuation, and meaning. I knew that actors often use the technique of marking their scripts at each punctuation mark. This helps them get the sense and structure of a speech. I wondered if this would also work in the classroom. So I reformatted the blank verse into lines based on meaning rather than iambic pentameters. I also paragraphed the longer speeches to give a more modern look and feel. It worked. In fact, it worked like magic. Since then, I have added annotations to help with difficult words and phrases and other features unique to these editions. But Shakespeare re-formatted is the essence of Twentyfirst Century Shakespeare.

When I was a school boy many years ago, only Grammar school pupils read Shakespeare in the UK. Even so, many of these brightest of pupils were turned off Shakespeare. Now we have a system in which all pupils, regardless of academic ability, are expected to make some sort of sense of at least one Shakespeare play. The least we owe them is a text.

they can read And who knows they even enjoy it Many people find that removing the straitjacket of blank verse makes the plays easier to read They also find that it liberates the dramatic spirit of the plays and actually enhances the beauty power and natural rhythms of Shakespeare s language If blank verse is of primary importance to you then this book may not be for you This is Shakespeare for the rest of us      **How to Read Shakespeare** Maurice Charney,1971 Introduces the modern audience to Shakespeare s plays discussing various factors which contribute to the master s dramatic techniques and style

Immerse yourself in the artistry of words with is expressive creation, **On Reading Shakespeare** . This ebook, presented in a PDF format ( Download in PDF: \*), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge.
