On Realism Existentialism And Politics:

In Defence of Objectivity and Other Essays Andrew Collier,2003 This volume develops and defends critical realism whilst engaging critically with existentialist philosophy in a number of ways The work of existentialist thinkers as diverse as Kierkegarrd R D Laing Heidegger and Sartre is discussed at length and Andrew Collier argues that there is much to be learnt from their work especially in Heidegger s critique of the technological view of the world However the book concludes with a defence of objectivity against the various forms of subjectivism advanced by the existentialists *In Defence of Objectivity* Andrew Collier,2004-03 First Published in 2004 Routledge is an imprint of Taylor Francis an informa company [Explaining Global Poverty](#) Branwen Gruffydd Jones,2007-01-24 Gruffydd Jones approach brings a book of real relevance for inequality in the modern world and gives an important platform from which to move forwards in the fight against poverty

Populations, Biocommunities, Ecosystems George P. Stamou,2012 Discussions on historical and philosophical issues in ecology have been rather limited This volume presents an enriched and comprehensive review on ecological issues The topics covered in this e book include the emergence of the field of life history st *Integrated Truth and Existential Phenomenology* Robert C. Trundle,2015-07-14 Integrated Truth and Existential Phenomenology A Thomistic Response to Iconic Anti Realists in Science relates an existential phenomenology to modal reasoning By this reasoning rooted in a consciousness of phenomena in themselves a Thomistic realism is advanced wherein scientific inquiry yields objective truth and presupposes a causal principle This principle as an inferably true modality strictly implies a first cause And this cause as a supreme norm causally created human nature as it ought to be So with no naturalistic fallacy a naturalistic ethics is inferred from our psycho biological nature that also informs art and politics Politics as the institutionalization of ethics is inferable from ethical prescriptions that are as certifiably true as the descriptions of science that inform it [Humanising Language Education in the Generative Artificial Intelligence Age](#) Jérémie Bouchard,2026-01-26 Examining the presence and influence of GenAI in the contexts of English for Academic Purposes EAP and written composition within university level English as a foreign language EFL programmes this book asserts a humanist view of language education informed by critical realism and the social realist philosophy of education Jérémie Bouchard looks at the GenAI language education interaction through explicit philosophical engagement with the aim of strengthening a critical and emancipatory approach to EAP written composition and language education By highlighting technological determinism and relating it to broader neoliberalist mechanisms the book provides new insights into the social political economic cultural and historical contexts within which the use of GenAI technologies by language teachers and learners can be understood Humanising Language Education in the Generative Artificial Intelligence Age will appeal to students and scholars of linguistics education and sociology as well as organisations devoted to understanding the evolution application and impact of GenAI on education and language learning **The Cambridge Companion to Existentialism** Steven Crowell,2012-02-16 Existentialism exerts a

continuing fascination on students of philosophy and general readers As a philosophical phenomenon though it is often poorly understood as a form of radical subjectivism that turns its back on reason and argumentation and possesses all the liabilities of philosophical idealism but without any idealistic conceptual clarity In this volume of original essays the first to be devoted exclusively to existentialism in over forty years a team of distinguished commentators discuss the ideas of Kierkegaard Nietzsche Heidegger Sartre Merleau Ponty and Beauvoir and show how their focus on existence provides a compelling perspective on contemporary issues in moral psychology and philosophy of mind language and history A further sequence of chapters examines the influence of existential ideas beyond philosophy in literature religion politics and psychiatry The volume offers a rich and comprehensive assessment of the continuing vitality of existentialism as a philosophical movement and a cultural phenomenon The Philosopher's Index ,2007 Vols for 1969 include a section of abstracts
