

On Russian Music

Richard Taruskin

On Russian Music:

On Russian Music Richard Taruskin, 2009 This volume gathers 36 essays by one of the leading scholars in the study of Russian music An extensive introduction lays out the main issues and a justification of Taruskin's approach seen both in the light of his intellectual development and in that of the changing intellectual environment **A History of Russian Music**

Montagu Montagu-Nathan, 1918 Bonded Leather binding **History of Russian Music** Gerald R. Seaman, 1967

Amplification of the author's thesis 1961 A History of Russian Music Francis Maes, 2006-02-20 Introduces the general public to the scholarly debate that has revolutionized Russian music history over the past two decades Summarizes the new view of Russian music and provides an overview of the relationships between artistic movements and political ideas

Russians on Russian Music, 1830-1880 Stuart Campbell, 1994-07-21 The volume reveals through contemporary Russian eyes how the foundations of the hugely popular Russian classical repertory were laid providing a vivid picture of the musical life of the opera house and the concert hall from which this repertory sprang Nikolay Myaskovsky Gregor Tassie, 2014-05-05 Gregor Tassie describes Nikolay Myaskovsky as one of the great enigmas of 20th century Russian music Between the two world wars the symphonies of Myaskovsky enjoyed great popularity and were performed by all major American and European orchestras they were some of the most inspiring symphonic works of the last hundred years and prolonged the symphonic genre But accusations of formalism at the 1948 USSR Composers Congress resulted in the purposeful neglect of his music until the collapse of the Soviet Union Myaskovsky wrote some of the most inspiring symphonic works of the last hundred years and prolonged and extended the symphonic genre In Nikolay Myaskovsky The Conscience of Russian Music Tassie gives readers the first modern English language biography of this Russian composer since his death in 1950 Tassie draws together information from the composer's diaries and letters as well as the memoirs of friends and colleagues even his secret police files to chronicle Myaskovsky's early life subsequent far reaching influence as a composer teacher and journalist and his final persecution by the Soviet government This biography will surely rekindle interest in Myaskovsky's remarkable body of work and will interest aficionados students and scholars of the modern classical music tradition and history of the arts in Russia *Russian Music at Home and Abroad* Richard Taruskin, 2016-09-06 This new collection views Russian music through the Greek triad of the Good the True and the Beautiful to investigate how the idea of nation embeds itself in the public discourse about music and other arts with results at times invigorating at times corrupting In our divided post Cold War and now post 9 11 world Russian music formerly a quiet corner on the margins of musicology has become a site of noisy contention Richard Taruskin assesses the political and cultural stakes that attach to it in the era of Pussy Riot and renewed international tensions before turning to individual cases from the nineteenth century to the present Much of the volume is devoted to the resolutely cosmopolitan but inveterately Russian Igor Stravinsky one of the major forces in the music of the twentieth century and subject of particular interest to composers and music theorists all over

the world Taruskin here revisits him for the first time since the 1990s when everything changed for Russia and its cultural products Other essays are devoted to the cultural and social policies of the Soviet Union and their effect on the music produced there as those policies swung away from Communist internationalism to traditional Russian nationalism to the musicians of the Russian postrevolutionary diaspora and to the tension between the compelling artistic quality of works such as Stravinsky's *Sacre du Printemps* or Prokofiev's *Zdravitsa* and the antihumanistic or totalitarian messages they convey *Russian Music at Home and Abroad* addresses these concerns in a personal and critical way characteristically demonstrating Taruskin's authority and ability to bring living history out of the shadows Studies in Russian Music Gerald Abraham, 1968

Russians on Russian Music, 1880-1917, 2003-08-14 This second anthology of Russian writing on Russian music begins in 1880 where the first volume concluded and ends in 1917 It brings the thoughts of leading Russian music critics to an English speaking readership as they react to the Russian music that is new to them during a period when all aspects of musical life were developing rapidly Music criticism had become more sure footed if no less opinionated These reviews demonstrate greater awareness both of music history and of contemporary music abroad The period covers the late careers of Tchaikovsky and Rimsky Korsakov as well as late works by Borodin and Balakirev and the emergence of Mussorgsky's compositions Works by the intervening generation including Arensky Glazunov and Lyadov are also reviewed and the book concludes with coverage of works by the Moscow School including Medtner Rachmaninoff and Skryabin and the early compositions of Stravinsky and Prokofiev Eighteenth-century Russian Music Marina Ritzarev, 2006 Starting from an examination of the rich legacy of Russian music up to 1700 Marina Ritzarev explores the development of music over the course of the eighteenth century The book focuses on what is characteristic and crucial to Russian music during this period rather than seeking to provide a comprehensive survey The musical culture of the time is discussed against the background of social political and cultural life and the importance of previously marginalized sectors is highlighted New light is also cast on the well researched topic of Russian opera A Survey of Russian Music Michel D. Calvocoressi, 1944 **Russian**

Music since 1917 Patrick Zuk, Marina Frolova-Walker, 2017-09-28 These essays bring into clearer focus the transformation in the study of Russian music that has occurred since glasnost Concentrating on Russian music since 1917 the volume shows how censorship in the USSR hindered developments in scholarship and explains some difficulties experienced by musicians and scholars in the post soviet era **On Russian Music** Richard Taruskin, 2008-12-02 Over the past four decades Richard Taruskin's publications have redefined the field of Russian music study This volume gathers thirty six essays on composers ranging from Bortnyansky in the eighteenth century to Tarnopolsky in the twenty first as well as all of the famous names in between Some of these pieces like the ones on Chaikovsky's alleged suicide and on the interpretation of Shostakovich's legacy have won fame in their own right as decisive contributions to some of the most significant debates in contemporary musicology An extensive introduction lays out the main issues and a justification of Taruskin's approach seen both in the light

of his intellectual development and in that of the changing intellectual environment which has been particularly marked by the end of the cold war in Europe

On Russian Music Gerald Abraham, 1970 **A History of Russian-Soviet Music** James Bakst, 1977 **A Short History of Russian Music** Arthur Pougin, 1915 **Russians on Russian Music, 1880-1917** James Stuart Campbell, 2003 *On Russian Music* Gerald Abraham, 1976-01-01 **A Short History of Russian Music** Arthur Pougin, 2015-06-02

Excerpt from *A Short History of Russian Music* The extraordinarily rapid development of the Russian school of music has been preoccupying the world of art for something like thirty five years and has now engaged the interest and attention of the whole of Europe Previous to this it was a matter of common knowledge that a great composer of the name of Glinka had been born in Russia and that he had left his country two superb works *A Life for the Tsar* and *Rousslan and Ludmilla* The names of two or three other composers such as Serov and Dargomijsky were also known but it was not realised at that time that music had taken such deep root in the country For us Frenchmen in particular the splendid Russian concerts organised at Paris by Nicholas Rubinstein for the Exhibition of 1878 were a revelation they made us acquainted with artists whose names we hardly knew and of whose works we were completely ignorant About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

On Russian Music Introduction

In the digital age, access to information has become easier than ever before. The ability to download On Russian Music has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download On Russian Music has opened up a world of possibilities. Downloading On Russian Music provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading On Russian Music has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download On Russian Music. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading On Russian Music. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading On Russian Music, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download On Russian Music has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it

offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About On Russian Music Books

1. Where can I buy On Russian Music books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
