On Selfcensorship

E. Salminen

On Selfcensorship:

On Self-censorship Marilyn Buck,1995* Journalist Safety and Self-Censorship Anna Grøndahl Larsen,Ingrid Fadnes,Roy Krøvel,2020-07-08 This book explores the relationship between the safety of journalists and self censorship practices around the world including local case studies and regional and international perspectives Bringing together scholars and practitioners from around the globe Journalist Safety and Self Censorship provides new and updated insights into patterns of self censorship and free speech focusing on a variety of factors that affect these issues including surveillance legislation threats violent conflict gender related stereotypes digitisation and social media The contributions examine topics such as trauma risk and self censorship among journalists in different regions of the world including Central America Estonia Turkey Uganda and Pakistan The book also provides conceptual clarity to the notion of journalist self censorship and explores the question of how self censorship may be studied empirically Combining both theoretical and practical knowledge this collection serves as a much needed resource for any academic student of journalism practicing journalist or NGO working on issues of journalism safety free speech and censorship Self-Censorship in Contexts of Conflict Daniel Bar-Tal,Rafi Nets-Zehngut,Keren Sharvit,2017-10-30 This groundbreaking volume explores the concept of self censorship as it relates to individuals and societies and functions as a barrier to peace Defining self censorship as the act of intentionally and voluntarily withholding information from others in the absence of formal obstacles the volume introduces self censorship as one of the socio psychological mechanisms that prevent the free flow of information and thus obstruct proper functioning of democratic societies Moreover it analyzes this socio psychological phenomenon specifically in the context of intractable conflict providing much evidence from the Israeli Palestinian conflict Moving from the micro to the macro level the collected chapters put the individual as the focal unit of psychological analysis while embedding the individual in multiple levels of context including families organizations and societies Following a firm conceptual explanation of self censorship a selection of both emerging and prominent scholars describe the ways in which self censorship factors into families organizations education academia and other settings Further chapters discuss self censorship in military contexts narratives of political violence and the media Finally the volume concludes by looking at the ways in which harmful self censorship in societies can be overcome and explores the future of self censorship research In doing so this volume solidifies self censorship as an important phenomenon of social behavior with major individual and collective consequences while stimulating exciting and significant new research possibilities in the social and behavioral sciences Conceptually carving out a new area in peace psychology Self Censorship in Contexts of Peace and Conflict will appeal to psychologists sociologists peace researchers political scientists practitioners and all those with a wish to understand the personal and societal functioning of individuals in the real world **Self-Censorship** Glenn C. Loury,2025-07-21 There is no such thing as free unconstrained speech Laws and constitutions may protect us from the state when we speak our minds But the state is just one possible constraint Glenn

Loury one of America's most outspoken and important intellectuals provides a provocative and dazzling analysis of the powerful social forces that can prevent speakers from voicing unpopular views in public forums Every society Loury notes has norms to enforce That can be a good thing There ought to be social sanctions for say compulsive liars When however a society shows a low degree of tolerance for speech about matters of political importance self censorship proliferates and public discourse and policy suffer The answer Loury argues is for as many of us as possible to be braver and more human to take a risk and unapologetically live within the truth Loury first presented these ideas in the 1990s in a celebrated and prophetic essay about political correctness In Self Censorship he expands and updates the account deploying his analytical powers and psychological acuity to diagnose our current political climate The result illuminates prevailing social dynamics with the same brilliant and startling effect that made the paper an instant classic thirty years ago

Freedom of the Press

Søren Dosenrode,Søren Zibrandt von Dosenrode-Lynge,2010 Without the freedom of the press the road to fanaticism and totalitarianism lies wide open This book focuses on how the press reacted under strain in a number of cases in the 20th and 21st century Both academics and journalists give their views on censorship self censorship and press ethics challenging the reader to find his own position Book Jacket

The Art of Veiled Speech Han Baltussen,Peter J. Davis,2015-07-27

Throughout Western history there have been those who felt compelled to share a dissenting opinion on public matters while still hoping to avoid the social political and even criminal consequences for exercising free speech In this collection of fourteen original essays editors Han Baltussen and Peter J Davis trace the roots of censorship far beyond its supposed origins in early modern history Beginning with the ancient Greek concept of *parrhisia* and its Roman equivalent *libertas* the contributors to The Art of Veiled Speech examine lesser known texts from historical periods some famous for setting the benchmark for free speech such as fifth century Athens and republican Rome and others for censorship such as early imperial and late antique Rome Medieval attempts to suppress heresy the Spanish Inquisition and the writings of Thomas Hobbes during the Reformation are among the examples chosen to illustrate an explicit link of cultural censorship across time casting new light on a range of issues Which circumstances and limits on free speech were in play What did it mean for someone to speak up or speak truth to authority Drawing on poetry history drama and moral and political philosophy the volume demonstrates the many ways that writers over the last 2500 years have used wordplay innuendo and other forms of veiled speech to conceal their subversive views anticipating censorship and making efforts to get around it The Art of Veiled Speech offers new insights into the ingenious methods of self censorship to express controversial views revealing that the human voice cannot be easily silenced Contributors Pauline Allen Han Baltussen Megan Cassidy Welch Peter J Davis Andrew Hartwig Gesine Manuwald Bronwen Neil Lara O Sullivan Jon Parkin John Penwill Fran ois Soyer Marcus Wilson Ioannis Ziogas

Success Secrets - 179 Most Asked Questions on Self-Censorship - What You Need to Know Nancy Macias,2014-10-22

Self Censorship Better than ever There has never been a Self Censorship Guide like this It contains 179 answers much more than you can imagine comprehensive answers and extensive details and references with insights that have never before been offered in print Get the information you need fast This all embracing guide offers a thorough view of key knowledge and detailed insight This Guide introduces what you want to know about Self Censorship A quick look inside of some of the subjects covered Internet censorship in the People's Republic of China Self regulation Gregory Breit ACLU Freedom of expression Manufacturing Consent Challenge literature Censored Surveillance as an aid to censorship Political blog Pakistan Continuation War Assessment of Soviet designs for Finland and their outcome Media influence Mass media mass culture and elite Telecommunications in Ecuador Internet censorship and surveillance Human rights in Mauritania Status of freedom of speech and press Censorship by religion In Judaism Communications in Libya The Internet and the civil war Fuck Word Taboo and Protecting Our First Amendment Liberties Content summary Hong Kong Culture

Telecommunications in Madagascar Media restrictions Freedom of the press Status of press freedom worldwide Indian general election 2014 Controversies Group think Bay of Pigs invasion and the Cuban Missile Crisis Comic English language comics Outed Outrage film Kingdom of Bahrain Media Naturism Issues in social nudity Seven Dirty Words Subscription services Joseph Goebbels Propaganda Minister Internet in Angola Internet censorship and surveillance Psychoanalysis Cultural variations Mohammed Drawings Political issues Censorship Surveillance as an aid to censorship and much more

Self-Censorship and the Struggle for Press Freedom in Hong Kong Anne Cheung,2021-11-01 Ever since it was first known that Hong Kong would become China's Special Administrative Region there has been growing concern over the protection of the freedom of the press in this oriental city The anxiety is however not confined to the fear that the new sovereign might rule Hong Kong under an iron fist Rather many believe that the locals are apparently surrendering their freedom by practicing self censorship a mechanism of anticipatory avoidance of sanctions This book asks what does self

censorship mean to Hong Kong at the time of political and historical juncture It argues that self censorship is a strategic game of coordination when both the ruler and the subjects are making use of the fluid boundaries in local and international politics Rich in anecdotes historical details and legal analysis this book depicts the game of Chui shadow boxing where promises threats and bluffs are exchanged Winning for either side calls for the skilful manipulation of voice and silence at all levels

Cancel Culture and Self-censorship on Instagram Zeina Mashtoub,2022 This exploratory study seeks to unearth various notions that restrict freedom of speech such as cancel culture online hostility and self censorship on social media sites specifically Instagram It focuses on how Instagram users are self censoring around social topics discussed on Instagram due to the prevalence of cancel culture Through the employment of in depth interviews it looks at the way Instagram affordances assists users in resisting self censorship through user agency and the creation of safer spaces It also outlines other reasons users self censor on the social media site and the consequent effect on democracy

The Silenced Media E. Salminen,1999-01-17 Focusing on freedom of speech the book deals with the perennial problem of how a small country should react in the face of pressure threatening its sovereignty Should it give way or resist The author describes in detail how the Soviet Union operated both overtly and covertly in the propaganda war and discusses the reactions of the west the United States Great Britain West Germany and Sweden

Out of Goodwill to Protect Others Yiwen Zhang,2016 The censorship system has been criticized as a distinct symbol of dictatorship for a very long time Goldstein 2009 The news media is getting more aggressive about challenging and fighting against censorship and striving for freedom of expression in China or all over the world Tedford Herbeck 2009 Ironically instead of challenging the unspoken rules of censorship Chinese journalists may sometimes engage in self censorship which is actually assisting the system of official censorship Why do Chinese journalists accept censorship Censors have defended their actions as the protection to against negative information entering the public domain Rojas Shah Faber 1996 Here a contradiction in the censorship issue is presented in Chinese media environment News media oppose censorship as a blockade to their information collection and distribution but they may also install a self censorship protocol to filter order and maintain the safety of the information flow because they believe that negative information is a catalyst of social instability To further understand this contradiction my paper aims to clarify the motivations for Chinese journalists to accept self censorship I adopt third person effect as the theoretical framework to study self censorship in Chinese context The purpose of this study is to provide a different way of looking at the relationship between the third person effect and censorship behavior to understand how the Chinese journalists individual characteristics and environmental factors will directly affect their self censoring behaviors or indirectly through the perceptual bias

Elgar Encyclopedia of Political Communication Alessandro Nai,Max Gršmping,Dominique Wirz,2025-12-16 This Encyclopedia covers the vast field of political communication presenting an authoritative overview of its key foundational theories and empirical methodologies Authored by nearly 600 experts from across the globe it explores diverse areas of

inquiry foreshadowing future trends and avenues for research This title contains one or more Open Access chapters

Chinese Investigative Journalists' Dreams Elin Sæther,Marina Svensson,Zhi'an Zhang,2013-12-11 This edited volume brings together scholars positioned in and outside of China including former Chinese journalists in a comprehensive and in depth study of Chinese investigative journalists dreams work practices and strategies It is the first book that systematically addresses the roles and values of Chinese investigative journalists in different types of media in the process addressing topics such as journalism education different generations and sub groups among investigative journalists and gendered roles within investigative journalism The book discusses journalists relations with the state and issues of political control and censorship but seeks to unpack the state by looking at different administrative levels institutions and geographical locations Furthermore the authors acknowledge and analyze how investigative journalism today is shaped constrained and negotiated through contacts with other actors than the state including companies civil society and the audience The book sheds light on the possibilities and restrictions for more critical journalism in an authoritarian regime *Self Censorship* Pew Research Center for the People & the Press,2000 **Censorship and the Individual** Jason Bernard Reineke,2005 The research presented here uses a social scientific approach to assess the concepts of interest A questionnaire was constructed and distributed to a sample from the university community n 169 in order to assess relationships between individuals tendencies to support public censorship and self censor demographic and political ideological characteristics and personality

Self-censorship in the Chinese Media Natalie Carol Scott,1998 **Watching Our Words** Ricardo Morris,2017-03 Ricardo Morris a journalist and Thomson Reuters fellow from Fiji has studied the perceptions and practice of self censorship among journalists from his country in the years following the military coup in December 2006 He focused particularly on the period after the 2014 general election that returned Fiji to democratic rule In his research paper Morris examines how willing Fijis media workers are to self censor how self censorship works in newsrooms and what factors are influential on journalists work Publisher information **Self-censorship and the Struggle for Press Freedom in Hong Kong** Anne S.

Y. Cheung,2001 **Journalists under pressure** Marilyn Clark,Anna Grech,2017-03-01 Freedom of expression is one of the basic conditions for the progress of society Without safeguards for the safety of journalists there can be no free media Journalists are under threat in Europe Different forms of violence against journalists have increased significantly over the last decade from physical attacks to intimidation and harassment targeted surveillance and cyberbullying we now see a range of tactics deployed to silence critical voices and free speech Together with impunity for the perpetrators of unwarranted interference on journalists these are among the most serious challenges facing media freedom today Self censorship is hardly surprising in such circumstances This study conducted among almost 1 000 journalists and other news providers in the 47 Council of Europe member states and Belarus sheds new light on how these issues impact on journalists behaviour The results of the study provide quantitative evidence on such unwarranted interference fear and how this relates to consequent

self censorship These striking results confirm the urgent need for member states to fully implement Recommendation CM Rec 2016 4 on the protection of journalism and safety of journalists and other media actors and represent an essential and reliable tool for strategic planning in this field to guarantee freedom of expression

Whispering the Strategies of Language: An Mental Quest through **On Selfcensorship**

In a digitally-driven world wherever screens reign supreme and immediate interaction drowns out the subtleties of language, the profound techniques and psychological nuances hidden within words often go unheard. However, nestled within the pages of **On Selfcensorship** a captivating fictional prize pulsing with organic thoughts, lies an extraordinary quest waiting to be undertaken. Written by a talented wordsmith, that marvelous opus invites readers on an introspective journey, gently unraveling the veiled truths and profound affect resonating within the muscles material of each and every word. Within the psychological depths of the emotional evaluation, we can embark upon a sincere exploration of the book's primary themes, dissect its captivating writing model, and yield to the powerful resonance it evokes deep within the recesses of readers' hearts.
