

I can't.

A photograph of a person standing in a field, seen from behind. The person is silhouetted against a bright, glowing light that appears to be the setting or rising sun. The light creates a strong lens flare effect, casting a warm glow over the person and the surrounding landscape. The field in the foreground is dark and out of focus, while the horizon and sky are visible in the background.

I think I'll let Him.
