Constructing a Security Community in Southeast Asia Amitav Acharya, 2001 This book contains the most comprehensive and critical account available of the evolution of The Association of Southeast Asian Nations ASEAN norms and the viability of the ASEAN way of conflict management

Asian Security Order Muthiah Alagappa, 2003 More than a decade has passed since the end of the Cold War but Asia still faces serious security challenges These include the current security environment in the Korean peninsula across the Taiwan Strait and over Kashmir the danger of nuclear and missile proliferation and the concern with the rising power of China and with American dominance Indeed some experts see Asia as a dangerous and unstable place Alagappa disagrees maintaining that Asia is a far more stable predictable and prosperous region than it was in the postindependence period This volume also takes account of the changed security environment in Asia since September 11 2001 Unlike many areas studies approaches Alagappa's work makes a strong case for taking regional politics and security dynamics seriously from both theoretical and empirical approaches The first part of this volume develops an analytical framework for the study of order the salience of the different pathways to order is examined in the second part the third investigates the management of specific security issues and the final part discusses the nature of security order in Asia

Security and Southeast Asia Alan Collins, 2003 From internal oppression in Burma to interstate conflict in the South China Sea the people of Southeast Asia face a range of threats This book identifies and explains the security challenges both traditional and nontraditional confronting the region Collins addresses the full spectrum of security issues discussing the impact of ethnic tensions and competing political ideologies the evolving role of ASEAN and Southeast Asia's interactions with key external actors China Japan and the United States The final section of the book explores how the region's security issues are reflected in two current cases the South China Sea dispute and the war on terrorism

Regionalism and Multilateralism Amitav Acharya, 2003 These essays written between 1990 and 2000 cover the most

significant phase of multilateral institution building in the Asia Pacific region They deal with the emergence of regionalism in Southeast Asia ASEAN's transition to the post Cold War era the role of the ASEAN Regional Forum the engagement of China the changing relationship between sovereignty and regionalism and prospects for the regional institutions such as ASEAN APEC and the ARF after the Asian economic crisis The essays address the most challenging issues of regional order and articulate an institutionalist understanding of international relations in the region This updated second edition includes four new chapters and two revised chapters

ASEAN and the Security of South-East Asia (Routledge Revivals) Michael Leifer, 2013-10-14 Problems of internal and external security in South East Asia have persisted as one set of competing global alignments has been succeeded by another with major impact on regional relationships This book first published in 1989 examines how the states of The Association of South East Asian Nations ASEAN have attempted to confront the problems of regional security It considers the nature and role of the Association intended to promote economic growth social progress and cultural development traces its institutional development from 1967 and identifies a basic structural weakness arising from the differing strategic perspectives held by member governments Leifer explores in particular ASEAN's response to conflicts over Kampuchea renamed Cambodia in 1990 which was critical in exposing those differing perspectives and the limited role of a diplomatic community in coping with regional security problems This comprehensive work will be of particular value to students and academics with an interest in South East Asian diplomacy history and regional security

New International Order and Security Issues in the Asia-Pacific Region Soedibyo, 1992

ASEAN and Regional Order Amitav Acharya, 2021-05-30 Founded in 1967 the Association of Southeast Asian Nations ASEAN has emerged as one of the most successful regional organizations in the world This book discusses the future of ASEAN against a backdrop of a growing US China rivalry and the security implications of COVID 19 Chapters in this book move through a history of ASEAN and its multilateral institutions including the ASEAN Regional Forum ARF and the East Asia Summit EAS featuring rare photographic material to contextualize both recent developments in regional security and projections for ASEAN's prospects Key concepts and terms are unpacked throughout with the chapters focusing on rapidly changing international and regional environments economic insecurities such as trade conflicts human rights and ASEAN identity and providing extensive analysis of the factors challenging the principle ASEAN Centrality and the Indo Pacific security architecture The concept of security community frames this book despite being subject to change if intraregional discord and institutional stagnation take hold As a discussion of the role and future of ASEAN in a pivotal period of world history ASEAN and Regional Order will prove vital to both students and scholars of international relations regional organizations and Asian studies more broadly

Dictionary of the Modern Politics of Southeast Asia Joseph Chinyong Liow, 2022-07-21 The past three decades since the end of the Cold War have been a time of remarkable change for Southeast Asia Long seen as an

arena for superpower rivalry Southeast Asia is increasingly coming into its own by locating itself at the forefront of regional integration initiatives that involve not only the states of the region but major external powers such as the United States China India Japan and Australia Extensively updated and revised in light of these changes and developments this fifth edition of Dictionary of the Modern Politics of Southeast Asia remains indispensable This new edition starts with profiles of each Southeast Asian country before providing over 500 alphabetically arranged individual entries each containing detailed accounts and analyses of major episodes and treaties political parties and institutions civil society movements and regional and international organizations Biographies of significant political leaders and personalities both past and present are also provided Entries are comprehensively cross referenced and an index by country directs readers to all entries concerning a particular country The Dictionary concludes with an extensive bibliography that serves as a guide to further reading An essential one stop reference book this book is an indispensable tool for all scholars and students of Asian politics and international affairs and a vital resource for journalists diplomats policy makers and others with an interest in the region

The Routledge Handbook of Asian Security Studies Sumit Ganguly, Andrew Scobell, Joseph Chinyong

Liow, 2009-12-04 The Handbook of Asian Security Studies provides a detailed exploration of security dynamics in the three distinct subregions that comprise Asia and also bridges the study of these regions by exploring the geopolitical links between each of them This Handbook is divided geographically into four main parts Part I Northeast Asia Part II South Asia Part III Southeast Asia Part IV Cross Regional Issues Despite the richness and complexity of security issues in Asia and the theoretical and conceptual debates these have spawned there is no single volume that scholars can turn to for succinct cogent and dispassionate analysis of these issues The Handbook of Asian Security Studies fills this important gap in the literature dealing with all major security issues in the area which range from unresolved territorial disputes maritime and inland irredentist claims and intra state conflicts to transnational terrorist movements and nuclear rivalries This volume contains essays by many leading scholars in the field and will be essential reading for all students of Asian security Asian politics and International Relations in general Sumit Ganguly is a professor of Political Science and holds the Rabindranath Tagore Chair in Indian Cultures and Civilizations at Indiana University Bloomington He is the author co author editor or co editor of some 15 books on South Asian politics He is also the founding editor of the only refereed social science journal devoted to the study of contemporary India The India Review and a founding editor of Asian Security Andrew Scobell is Associate Professor of International Affairs and Director of the China Certificate Program at the Bush School of Government and Public Affairs at Texas A M University located in College Station Texas He is co editor of the journal Asian Security and has edited or co edited 12 books on Asian security topics Joseph Chinyong Liow is Associate Professor and Head of Research at the Rajaratnam School of International Studies Nanyang Technical University Singapore He is co editor of Order and Security in Southeast Asia Routledge 2005 and author of The Politics of Indonesia Malaysia Relations One Kin Two Nations

Routledge 2005 *Dynamics of Regional (in)security in the Post-Cold War Era* Yansheng Ma,2000 *Development and Security in Southeast Asia* Carolina G. Hernandez,2019-07-15 This title was first published in 2003 This three volume set examines the relationship between government and civil society in their efforts to define and pursue security Including the results of an extensive research program each volume is organized around one of the three principal themes environment people and globalization supplying compelling evidence of the tension between economic change and human well being Challenging the conventional wisdom about the beneficial results of economically induced change this first volume suggests that too often the mismanagement of development jeopardizes the security of individuals families communities and possibly the state by harming the very environment which is required to sustain both people and their economic existence Bringing together an international group of scholars from a variety of disciplines this volume is particularly relevant for academic and general research communities in the areas of social economic political and security matters of Southeast Asia **Maritime Security between China and Southeast Asia** Liselotte Odgaard,2017-03-02 Arguing that security relations between China and Southeast Asia are profoundly affected by disputes over maritime space and territory in the South China Sea the author demonstrates that the primacy of strategic competition over strategic partnerships promotes the emergence of a structure of deterrence encouraging South East Asia to side with the United States to balance the military power of China Combining the concepts of international disputes and order the book establishes a framework designed to focus on periods of transition where international regulatory mechanisms are out of step with developments in the security environments of states Features include Substantial evidence that strategic competition between the United States China and South East Asia promotes stability A comprehensive account of military diplomatic economic historical and legal aspects of security environments of states Suitable for scholars and graduate students of international relations international law security studies conflict management and regionalism it will also be invaluable supplementary reading for undergraduate courses
