Ordinary Graces Lorraine Kisly, 2001-09-15 The fruit of two thousand years of inner experience and insight from Christians of all denominations Ordinary Graces embodies the great themes of Christ's teachings will presence the neighbor struggle grace and awakening While each passage stands alone the different voices call to one another across the centuries and over vast geographical and cultural divides Some of the names will be familiar but many of them will be new to readers Lorraine Kisly has sought out not only unfamiliar passages by famous Christians but also writers we may have overlooked As each voice joins the chorus our understanding of Christianity's inner tradition deepens and we can see more clearly ways of incorporating its truths into our daily lives

Ordinary Graces Lorraine Kisly, 2001-01-01 An indispensable companion and inspiration for serious spiritual seekers contemplatives and all Christians searching for wisdom teachings in their own tradition Kathleen Norris has revealed a deep hunger in modern Christians but up to now there hasn't been an anthology of Christian mystics that encompasses the whole gamut of traditional texts and contemporary writings

God at the Edge Niles Goldstein, 2001-04-24 Here is a book about adventure raw experience and facing inner demons Niles Elliot Goldstein is a young rabbi who sets out to find God in tough and often scary situations dogsledding above the Arctic Circle taking the Silk Road into Central Asia without a visa being chased by a grizzly bear cruising with DEA agents through the South Bronx and spending a night in jail in New York City's Tombs He explores the connections between struggle and growth fear and transcendence and uncertainty and faith seeking the boundary where the finite meets the Infinite Goldstein is not alone in making this kind of pilgrimage There has always been a strong tradition of seekers who looked for revelation outside conventional religious settings and encountered God in moments of anguish terror and pain Goldstein juxtaposes his own experiences with those of some of the great historical figures of Judaism and Christianity Jonah and St John of the Cross Moses Maimonides and Julian of Norwich Nachman of Bratslav and Martin Luther as well as lesser known mystics and preachers and he discovers as they did that it can sometimes take a journey to the edge to recognize God's presence in our lives

Engaging God's World Cornelius Plantinga, 2002 An inspiring guide for developing the Christian mind extols the crucial role of Christian higher education in the intellectual and spiritual formation of believers
