Lovejoy's early life and career in the Pacific Northwest gave her key experiences and strategies to use for what she termed constructive resistance the ability to take effective action against unjust power. She took a political and pragmatic approach to what she called woman's big job achieving a full female citizenship and emphasized the importance of votes for women. In this engaging biography Kimberly Jensen tells the story of this important western woman exploring her approach to politics, health and society and her civic, economic and medical activism.
