one does not focus on songs collected in the particular states but rather on songs concerning the life and times of the people of that state. The topics range from the major historical events such as the Boston Tea Party, the attack on Fort Sumter, and the California Gold Rush to regionally important events such as disasters and murders, labor problems, occupational songs, ethnic conflicts. Some of the songs will be widely recognized such as Casey Jones Marching Through Georgia or Sweet Betsy from Pike. Others less familiar have not been reprinted since their original publication but deserve to be studied because of what they tell about the people of these United States, their loves, labors, and losses, and their responses to events. The collection is organized by regions starting with New England and ending with the states bordering the Pacific Ocean, and by states within each region. For each state, there are from four to fifteen songs presented with an average of 10 songs per state. For each song, a full text is reprinted followed by discussion of the song in its historical context. References to available recordings and other versions are given. Folksongs such as those discussed here are an important tool for historians and cultural historians because they sample experiences of the past at a different level from that of contemporary newspaper accounts and academic histories. These songs, in a sense, are history writ small. Books in Print Supplement, 1988

Great Train Robberies of the Old West R. Michael Wilson, 2006-11-01 During the 1800s, trains carried the nation's wealth throughout the east, but no one thought to rob a speeding train until 1866. In 1870, the first western train was robbed in Nevada, and within hours a second train was robbed. Railroads made every alteration to their cars and changed every procedure they could imagine to thwart the robbers, but to no avail. Robbing trains became epidemic over the next five decades, even when the legislatures made train robbery a capital crime. A few of the hundreds of train robberies stand out as thrilling and dangerous affairs, and the greatest of these 15-20 are included in this book. **Outlaw Tales of Oregon** James Yuskavitch, 2006 The lives and exploits of notorious bad men like Harry Tracy and Bill Miner are revealed in this latest addition to TwoDot's Outlaw Tales series, along with lesser-known but equally fascinating outlaws who made careers of murder and mayhem in Oregon's Wild West. Discover the wild ones who terrorized banks, robbed trains, and made Oregon
