The Future of Live Karin van Es, 2016-11-28 Liveness is a persistent and much-debated concept in media studies Until recently it was associated primarily with broadcast media and television in particular However the emergence of social media has brought new forms of liveness into effect These forms challenge common assumptions about and perspectives on liveness provoking a revisiting of the concept In this book Karin van Es develops a comprehensive understanding of liveness today and clarifies the stakes surrounding the category of the live She argues that liveness is the product of a dynamic interaction between media institutions technologies and users In doing so she challenges earlier conceptions of the notion which tended to focus on either one of these contributors to its construction By analyzing the live in four different cases a live streaming platform an online music collaboration website an example of social TV and a social networking site van Es explores the operation of the category and pinpoints the conditions under which

it comes into being The analysis is the starting point for a broader reflection on the relation between broadcast and social media *Bye-Bye Advertising* , Roku Streaming Stick HD User Guide JUSTICE PROSE, Turn Your TV Into a Smarter Simpler and More Enjoyable Entertainment Hub Without the Frustration Are you tired of struggling with confusing setup steps hidden settings or endless buffering when all you want is to relax and watch your favorite shows The Roku Streaming Stick HD is a powerful device but only if you know how to unlock its full potential Roku Streaming Stick HD User Guide Easy Setup App Tips Troubleshooting for Smarter TV Entertainment is your complete beginner friendly yet expert approved manual to mastering every feature of your Roku Whether you re brand new to streaming or looking to get more out of your device this guide takes you from unboxing to expert level streaming with ease Inside you ll discover Step by step setup instructions with clear explanations and zero tech jargon Pro tips for customizing your home screen organizing channels and speeding up performance Secrets to streaming like a pro from private listening to voice control Easy fixes for common problems like connection errors lag and remote issues Hidden features and shortcuts that Roku doesn t openly advertise App recommendations to maximize your entertainment experience Why This Guide Is Different Written in simple friendly language for beginners but packed with advanced strategies for power users Includes real world examples time saving shortcuts and troubleshooting checklists Designed for fast results so you spend less time reading and more time enjoying your Roku Whether you want to stream in HD organize your apps connect your smart home or fix annoying glitches this book has you covered Stop wasting time figuring things out the hard way With this guide you ll transform your TV experience from frustrating to effortless in just minutes Get your copy now and start streaming smarter faster and better than ever
