work went widely unrecognized for most of his life though he enjoyed quiet acclaim from Louis Kahn lvaro Siza and other prominent figures His home and studio in Mexico City are a popular museum and have been named a UNESCO World Heritage Site Yet little is known about this influential and highly regarded modern architect A Conversation with Luis Barragán an insightful interview conducted by Alejandro Ram rez Ugarte in 1962 offers an account of Barragán's career travels and primary aesthetic and architectural design concerns Published for the first time in English it provides a critical if brief look into the mind of Barragán The only lecture the architect ever delivered and the illuminating acceptance speech he delivered upon receiving the prestigious Pritzker Architecture Prize accompany the interview Taken together this trio of documents forms a succinct corpus that goes to the heart of Barragán's vision providing a better understanding of his work and reinforcing his importance in the architecture world
