## **Luke And John:**

*The Traditions Common to the Gospels of Luke and John* John Amedee Bailey, 1963 Since the finding of the first of the scrolls at Qumran in 1947 the discovery that elements in various documents of the Dead Sea covenanters are similar to material in the gospel of John has strengthened the position of those who stress the existence of much genuinely Palestinian material in the fourth gospel The effect of this has been to raise once again the old question as to whether John's gospel may not in fact be earlier than and therefore independent of the synoptic gospels The present writer believes that an analysis of the material of Luke's and John's gospels at the points occurring above all in their accounts of the events of the passion and the events following the resurrection at which the two gospels agree with each other but depart from Mark and Matthew shows that John in at least some of these places was dependent on Luke's gospel in its present form The present monograph consists of such an analysis and in the writer's opinion proves that John though his gospel unquestionably contains much genuinely Palestinian material did draw on Luke and therefore cannot have written his gospel earlier than the eighties of the first century AD

*Matthew Mark Luke John Four Gospels One Story* Daniel Ames, 2020-02-21 Matthew Mark Luke and John 4 separate accounts of Messiah Yeshua Christ Jesus interwoven into a single story based entirely upon the 4 Gospels This is a most detailed account of the Life of Yeshua as the 4 Gospels all have information unique to themselves For example Matthew 4 goes from the Temptation after fasting strait to the Sermon on the Mount in chapter 5 leaving out all the details in between such as Peter bowing before Yeshua after overloading his boat with fish and the account of John the Baptist giving his witness of Messiah and lets not forget the gathering of the disciples which takes place before the Sermon on the Mount I personally never noticed these details until the Lord lead me to merge the stories and was absolutely blown away how the stories interweave so perfectly Yet I digress knowing that God must have hidden the depth of this vision until now By no means does this replace any of the 4 Gospels I hope that you continue to study them as they are however this is what the life of Yeshua likely looked like based on the information provided in all 4 Gospels this is the interpretation given to me by the Holy Spirit of YHWH Certain Parables can only be found in Matthew like the Sheep and the Goats and some only in Luke such as the Prodigal Son There is a lot of information specific to the Gospel of John and so I am very excited to present Matthew Mark Luke and John as told in an single flowing account by merging the details together to get the most detailed possible picture This account is like reading Matthew Mark Luke and John all at once without rereading the same stories that are in common and covering the details that are specific While like reading the 4 Gospels back to back it is not as long because you wont reread the same thing 4 different times in some cases but it is much longer than any one of the Gospels because all the details that are unique are interwoven using timing context words time of year etc This was a super complicated task only made possible by the Holy Spirit I am releasing this as a 1st edition because as I read over this for the next few years I will likely catch the things that I am not noticing now slowly improving the storyline until it is perfect For now I am with great love revealing all that I have been shown up till now may it be as much as blessing to you as it as been to

me Having combined the 4 Gospels I have a much clearer vision of Messiah Yeshua and his life from birth to ascension You will see Yeshua Jesus in a way you never have before of that much I am sure May the Grace of our Lord Messiah Yeshua be with you all Amen The Copyright is only meant to stop people from stealing and reselling apart from that you can use any part of it for any and every other reason     Redating Matthew, Mark and Luke John Wenham, 2020-07-20 This groundbreaking study poses a solution to what one scholar has called one of the most difficult research problems in the history of ideas the Synoptic problem The phenomenon and mystery of three similar but different Synoptic Gospels has for centuries challenged some of the best minds of academia and the church How can we explain the differences and similarities among Matthew Mark and Luke Which Gospel was written first To what extent did the Evangelists depend on oral tradition written sources or each other John Wenham courageously opposes the reigning two document theory that Mark was the first Gospel with Matthew and Luke independently using Mark and a lost source of sayings of Jesus labeled Q Through careful argument and analysis he seeks to defend an alternative theory that satisfactorily accounts for what he argues is some degree of structural dependence but nevertheless a surprising degree of verbal independence among the Synoptics This brave new revisioning of the writing of the Synoptics redates Matthew Mark and Luke prior to A D 55 Insightful and provocative Redating Matthew Mark and Luke offers a fresh look at a hard problem as well as an interesting perspective on the inner workings of the early church It is a book to be reckoned with and sure to stir up scholarly controversy
