Luke The Bible:

Luke for Everyone N. T. Wright, 2004-01-01 Tom Wright's guide to Luke which includes a wealth of information and background detail provides real insights for our understanding of the story of Jesus and its implications for the reader. His clear style is accessible for new readers of the Bible as well as to those who are further on His exciting new translation of the biblical text brings to life passage by passage the immediacy and drama of Luke's Gospel. Tom Wright has undertaken a tremendous task to provide guides to all the books of the New Testament and to include in them his own translation of the entire text. Each short passage is followed by a highly readable discussion with background information, useful explanations and suggestions and thoughts as to how the text can be relevant to our lives today. A glossary is included at the back of the book. The series is suitable for group study, personal study or daily devotions.

Studies in the Gospel of Luke Robert Elliott Speer, 1892

What are They Saying about Luke? Mark Allan Powell, 1989 Offers a concise summary of and an excellent introduction to recent Lucan scholarship. Major positions on several important subjects are clearly expressed in nontechnical language.

Luke C. D. "Jimmy" Agan III, 2015-07-15 The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God's Word. These 12 week studies lead participants through books of the Bible and are made up of four basic components: 1. Reflection questions help readers engage the text at a deeper level. 2. Gospel Glimpses highlight the gospel of grace throughout each book. 3. Whole Bible Connections show how any given passage connects to the Bible's overarching story of redemption culminating in Christ. 4. Theological Soundings identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. The Gospel of Luke is the most thorough historical account of the birth, life, death, and resurrection of Jesus Christ. But Luke's book is more than just history; it's also a rich source of life giving theology revealing Jesus's identity as Israel's long awaited Messiah and the Savior of the world. In this study, New Testament scholar Jimmy Agan III walks readers through Luke's Gospel helping Christians see that Jesus is not simply a great teacher but the great Savior.

Luke Fred B. Craddock, 2009-07-15 Using Luke's own prologue as the guideline for his commentary, Fred B. Craddock calls attention to the continuities between Jesus and his heritage in Judaism and the church after him. Like Luke, Craddock assumes the reader is not only a believer but also a leader in the community of faith. Interpretation: A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church. Planned and written specifically for teaching and preaching needs, this critically acclaimed biblical commentary is a major contribution to scholarship and ministry.
