## Lukes Garden:

**Yorktown** Becky Monroe, John Shideler, 2016-03-07 The Delaware Indians were nomadic and often inhabited the Yorktown area The early settlers in Yorktown found the tribe to be friendly and accepted their helpful offers of trading goods and giving guidance for planting crops Since it contained two bodies of water Yorktown was a natural choice for the location of a mill Oliver H Smith platted the original Town of Yorktown in 1837 The main business district was never more than two and a half blocks long but throughout the years other businesses built along the main street outside of the original area For many years Yorktown was a farm based community Later families depended on local industry as a means of support Recently the boundaries have grown to such an extent that Yorktown now includes the entire Mt Pleasant Township

**A suggestive commentary on the New Testament. St. Luke (St. John) by W.H. Van Doren. (St. Paul's epistle to the Romans, by T. Robinson). [6 vols. No more publ.]** William Howard Van Doren, 1867 *The four gardens, a solemn imagery [in verse, by H. Dartnall]*. Henry Dartnall, 1870 The Myrtle, 1872 *Parabolic Figures or Narrative Fictions?* Charles W. Hedrick, 2016-06-10 Hedrick contends that parables do not teach moral and religious lessons they are not in whole or part theological figures for the church Rather parables are realistic narrative fictions that like all effective fiction literature are designed to draw readers into story worlds where they make discoveries about themselves by finding their ideas challenged and subverted or affirmed The parables have endings but not final resolutions because the endings raise new complications for careful readers which require further resolution The narrative contexts and interpretations supplied by the evangelists constitute an attempt by the early church to bring the secular narratives of Jesus under the control of the church's later religious perspectives Each narrative represents a fragment of Jesus's secular vision of reality Finding himself outside the mainstream of parables scholarship both ecclesiastical and critical Hedrick explored a literary approach to the parables in a series of essays that among other things set out the basic rationale for a literary approach to the parables of Jesus These early essays form the central section of the book They are published here in edited form along with unpublished critiques of a thoroughgoing literary approach and his response St. Luke Walter Frederic Adeney, 1922 *The Passion According to Luke* Jerome H. Neyrey, 2007-05-01 Jerome Neyrey brings a remarkably enlightened approach to the Passion Narrative and to Luke's particular version of it The book begins where previous studies

leave off for it goes beyond traditional questions of source and historicity and treats the Lukan Passion Narrative from the standpoint of redaction criticism Neyrey offers a fresh literary analysis of the text along with significant thematic and theological insights into Luke's version of Jesus's Passion Five major episodes in the Passion Narrative are treated The Farewell Address at the Last Supper the Garden Jesus's Trials his Address to the Women and the Crucifixion Although rich in detail this book continually offers a unified view of the text readers are constantly offered overviews summaries of the data and interpretation of it The book breaks new ground in suggesting a distinctive Lukan soteriology of the cross and a corresponding Christology Study of the faith of the dying Jesus becomes a major clue for seeing Jesus as the New Adam in Luke Acts This book significantly advances our reading of Luke especially by the way Acts is brought to bear as an interpretive clue to Luke's whole project Luke Acts Contemporary interpretation of Luke demands study of the way Lukan structures and themes are continued and confirmed in Acts which holds true especially for the Passion Narrative Luke brings the story of Jesus into harmony with the story of his church
