Lukes Promise:

Luke's Promise Eileen Wilks, 2011-02-21 A few minutes in the Love Me Tender Chapel and Maggie Stewart had toppled the giant of all bachelors sexy as sin Luke West But their marriage came with an expiration date on payment of Luke's colossal inheritance The honorable horseman promised to rein in his powerful wife craving for he'd never compromise precious Maggie But his bride had vowed to push her husband to the brink of pounding desire then offer herself as satisfaction on one condition that their loving last not just one night but a lifetime *Echoes of Scripture in Luke-Acts*

Kenneth D. Litwak, 2005-03-07 Litwak challenges previous studies of the use of the Old Testament in Luke Acts as inadequate In contrast to previous studies that consider only quotations or obvious allusions he examines intertextual echoes of the Old Testament at strategic points in Luke Acts as well as quotations and allusions and echoed traditions Thus this study's database is larger Previous studies generally argue that Luke's use of the Scriptures is in the service of christology This leads to the exclusion of scriptural citations such as those of the temptation Luke 4 1-13 which have different emphases Litwak views ecclesiology as the overall purpose behind Luke's use of the Old Testament but he does not skip or avoid intertextual references that may lie outside an ecclesiological function Whilst other studies contend that Luke uses the Old Testament according to a promise fulfillment proof form prophecy hermeneutic Litwak argues that this fails to account for many of the intertextual references Other studies often subsume all of Luke's use of the Scriptures of Israel under one theme such as the New Exodus but this study does not require that every intertextual echo maps to a specific theme Rather the many intertextual references in strategic texts at the beginning middle and end of Luke Acts and Luke's use of the texts are allowed to dictate the themes to which they relate JSNTS 282

Luke the Chronicler Mark Jacobbe, 2023-03-27 This book proposes a fresh understanding of the literary composition of Luke Acts Picking up on the ancient practice of literary mimesis the author argues that Luke's two part narrative is subtly but significantly modeled on the two part narrative found in the books of Samuel Kings and Chronicles Specifically Luke's gospel presents Jesus as the promised ultimate Davidide while the Book of Acts presents the disciples of Jesus as the heirs of the kingdom of David In addition to the proposal concerning the composition of Luke Acts the book offers compelling insights on the genre of Luke Acts and the purpose of Acts

Paul Against the Idols Flavien Pardigon, 2019-02-01 The story of Paul's visit to the city of Athens with its speech delivered before the Areopagus council is one of the best known and most celebrated passages of the Acts of the Apostles Being the only complete example of an apostolic address to pure pagans recorded it has consistently attracted the attention of historians biblical scholars theologians missionaries apologists artists and believers over the centuries Interpretations of the pericope are many and variegated with opinions ranging from deeming the speech to be a foreign body in the New Testament to acclaiming it as the ideal model of translation of the Christian kerygma into a foreign idiom At the heart of the debate is whether the various parts of the speech must be understood as Hellenistic or biblical in nature or both Paul Against

the Idols defends and develops an integrated contextual study of the episode Reading the story in its Lukan theological intertextual narrative linguistic and historical context enables an interpretation that accounts for its apparent ambivalence This book thus contributes to the ongoing hermeneutical and exegetical scholarly discussions surrounding this locus classicus and suggests ways in which it can contribute to a Christian theology of religions and missiology *St. Luke* Walter Frederic Adeney,1922 *Gospel difficulties, or, The displaced section of s. Luke [an harmony of the Gospels]* by J.J. Halcombe John Joseph Halcombe,1886 *Gospel Difficulties Due to a Displaced Section of S.
