Stanley,1992-11-01 This book contains the complete lyrics to 200 old school rap songs with a history and overview of this musical form up until the early nineties Once dismissed as a fashionable music form rap is a vital force in American culture itself From music awards to McDonalds adverts sounds of rap have permeated the media Controversies caused by groups such as Public Enemy and sometimes coarse language and lyrics of the street have caused the public at large to scrutinize popular music in an attempt to control it Like every other genre of music the lyrics run from socially aware to hedonistic and everything in between    **Something about the Author** Anne Commire,1976 Series covers individuals ranging from established award winners to authors and illustrators who are just beginning their careers Entries cover personal life career writings and works in progress adaptations additional sources and photographs    **Encyclopedia of Twentieth Century Journalists** William H. Taft,2015-07-16 Originally published in 1986 This book is a unique compilation of biographical sketches which covers editors publishers photographers bureau chiefs columnists commentators cartoonists and artists Alphabetical entries provide overviews of the lives and personalities of a good cross section of important people There is also a short essay on awards and prize winners Everything is efficiently indexed This is a supremely useful reference tool for those in mass media and popular culture fields    **Stringer's Last Stand** Stan Barstow,Alfred Bradley,1972 Luther Stringer is the titular head of a Yorkshire working class family of wife and three daughters one married one engaged one a student His middle daughter s fiancy is in bad odour with him for refusing to participate in a strike and being sent to Coventry This dissension however pales into insignificance before the hornet s nest that is stirred up when Luther s eldest daughter discovers in her father s pocket a packet of electronically tested contraceptives The women s reaction is instant and their vengeance terrible but the result is unexpected and perhaps unwelcome Stringer s Last Stand however interpreted may not be as cataclysmic as Custer s but it certainly shakes up a Yorkshire household    **Encyclopaedia of Twentieth Century Journalists** William H.
