*Lyra's Oxford* Philip Pullman,2020-05-28 This book contains a story and several other things The other things might be connected with the story or they might not they might be connected to stories that haven t appeared yet Two years after the conclusion of The Amber Spyglass Lyra and her daemon Pantalaimon sit high on the roof of Jordan College gazing down on the streets of Oxford But their peace is shattered by a flock of enraged starlings who seem intent on knocking another bird out of the sky a bird that Lyra and Pan quickly realise is a witch s daemon The daemon carries worrying tidings of a terrible sickness spreading in the North and claims that only Lyra can help him but is he really a friend or a foe Illustrated throughout with exquisite wood cut engravings by John Lawrence this beautifully packaged story also contains an extract of Pullman s second short story set in the His Dark Materials world Once Upon a Time in the North a map and other missives that seem to have slipped from Lyra s world into our own

**Lyra's Oxford** ,2017 *Unlocking the Love-Lock* Ceri Houlbrook,2021-01-13 Explores the worldwide popularity of the love lock as a ritual token of love and commitment by considering its history symbolism and heritage This is an eminently enjoyable and thorough investigation of a popular phenomenon through the lens of heritage and folk tradition Sara De Nardi Western Sydney University A padlock is a mundane object designed to fulfil a specific and secular purpose A contemporary custom has given padlocks new significance This custom is love locking where padlocks are engraved with names and attached to bridges in declaration of romantic commitment This custom became popular in the 2000s and its dissemination was rapid geographically unbound and highly divisive with love locks emerging in locations as diverse as Paris and Taiwan New York and Seoul Melbourne and Moscow

From the introduction I was distractedly perusing the photo frame aisle my eyes skimming the generically sentimental stock pictures of happy families smiling at the camera pretty landscapes cute pets and couples walking hand in hand when I came across one that jumped out at me I recognised the image instantly as a photograph of love locks the padlocks that had been appearing en masse on bridges and other public structures on a global scale since the early 2000s And having been researching the custom known as lovelocking for about five years at that point it was with a peculiar sense of pride that I realised love locks had accomplished the status of a stock image **His Dark Materials** Nicholas Wright, Philip Pullman, 2005 The stage adaptation of Philip Pullman's trilogy Northern lights The subtle knife and The amber spyglass Adapted under the series title His dark materials **Authenticity and Authentication of Heritage** Deepak Chhabra, 2021-05-27 Authenticity and Authentication of Heritage presents an assimilation of chapters that critically address some of the key emerging areas associated with authenticity It presents a variety of inspiring pieces of work that range from host guest authentication and intangible heritage to knowledge transfer processes authenticating heritage in fairy tale settings authenticity and anxiety in the smell of death and life understanding the boundaries of authenticity nostalgia sustainability marketing destination competitiveness examining affective connotations of authenticity and their contribution towards optimizing hedonic and eudaimonic well being during times of disruption The contentious concept of authenticity continues to be valorised in heritage tourism This scholarly initiative seeks to broaden the discursive parameters of authenticity and identify power mechanisms that shape the way authenticity is produced marketed and consumed This is an attempt to share contemporary views on how the contemporary notions of authenticity are derived interpreted applied processed and legitimised in local and global contexts Furthermore the significant relationship between health and authenticity is explored To put it simply this pandemic has significantly halted the way people connect with their cultural resources and seek authenticity within their inner selves and the outside realms in the heritage tourism system Heightened sense of global consciousness is a call to polish our authentic selves and elevate above inauthenticity or moral hypocrisy So is authenticity an evolving story or is it a story of floating immobility Who can tell the story and who decides what elements to fossilise How can existentialist authenticity and self authentication promote moral selving and well being of the self and the society Many questions like these have emerged in recent literature and this book uses conceptual empirical and theoretical explorations to identify and engage with such inquiries The chapters in this book except for the concluding chapter were originally published as a special issue of the Journal of Heritage Tourism **Lyras Oxford** Philip Pullman, 2008 Denne historien følger Lyra to rett etter slutten i siste bind i trilogien Den mørke materien Lyra og demonen hennes Pan sitter på taket på en av bygningene i Oxford da de får yte på demonen til en heks i det fjerne Det er en stormsvale som blir fulgt av en stor flokk med styr Dette er opptakten til et mysterium Boka er illustrert med tresnitt samt en del ting fra både Lyras verden og vår egen slik som utbrettsskritt over Lyras Oxford og et postkort fra Lyras univers Fantasy for ungdomstrinnet **His Dark Materials Illuminated** Millicent Lenz, Carole

Scott,2005 The first critical analysis of Philip Pullman s cross age fantasy trilogy     **The Stained and Bloodied Cloths of Ireland** Catherine Harper,2025-11-13 The Stained and Bloodied Cloths of Ireland presents a textiles and material culture view of Irish shame oppression morality and repression Ireland North and South has sustained significant change in the last 100 years accelerating at the end of the 20th century with the legalization of contraception divorce gay marriage the end of the Troubles and freedom to choose abortion and reproductive autonomy In parallel to this troubling instances of abuse repression and cruelty have come to light through a series of scandals These included the exploitation of unmarried mothers as unpaid labour in laundries the deaths of women and babies in mishandled miscarriages the unhealthy entanglement of Church and State and the intolerance shown to visible Irish and immigrant minorities in the so called land of a thousand welcomes This collection of specially commissioned essays tells the stories of cloth clothing textiles and materials that have been actually or symbolically stained by blood or other bodily fluids in Ireland s last 100 years By focusing on the role of these materials in the events and experiences of shame oppression morality and repression the book lances the boil of Irish social history celebrating the movement of the island of Ireland into post Church post conflict post nostalgia modernity that while a painful transition is a vital part of coming to terms with its past and looking to its future     *End of the Megafauna*
