*How to Use Microsoft Excel Mac Version 4* Christine Reid, 1992-12-01      **Microsoft Excel 4 for the Mac level I workbook**, 1992      **Microsoft Excel 4 for the Mac level II workbook**, 1992      Financial Management in the Public Sector Xiaohu (Shawn) Wang, 2014-12-17 The new edition of this popular book provides a step by step guide on how to use financial management and budgeting tools in the public sector The book features a practical case study approach and includes plentiful exercises and examples It is designed as a textbook for courses on public financial management or public budgeting that focus on the application of budgeting and financial management tools Public service professionals will also benefit from this handy primer      **Handbook of Inter-Rater Reliability, 4th Edition** Kilem L. Gwet, 2014-09-07 The third edition of this book was very well received by researchers working in many different fields of research The use of that text also gave these researchers the opportunity to raise questions and express additional needs for materials on techniques poorly covered in the literature For example when designing an inter rater reliability study many researchers wanted to know how to determine the optimal number of raters and the optimal number of subjects that should participate in the experiment Also very little space in the literature has been devoted to the notion of intra rater reliability particularly for quantitative measurements The fourth edition of this text addresses those needs in addition to further refining the presentation of the material already covered in the third edition Features of the Fourth Edition include New material on sample size calculations for chance corrected agreement coefficients as well as for intraclass correlation coefficients The researcher will be able to determine the optimal number raters subjects and trials per subject The chapter entitled Benchmarking Inter Rater Reliability Coefficients has been entirely rewritten The introductory chapter has been substantially expanded to explore possible definitions of the notion of inter rater reliability All chapters have been revised to a large extent to improve their readability      Macs for Dummies David Pogue, 1992 The fun way to learn and master your Macintosh How to plug it in and what to do next      Excel 4 for Mac Webster Publishing, 1993      **Office 2008 for Macintosh: The Missing Manual** Jim Elferdink, 2008-03-20 Still the top selling software suite for Mac users Microsoft Office has been improved and enhanced to take advantage of the latest Mac OS X features You ll find lots of new features in Office 2008 for Word Excel PowerPoint and Entourage but not a page of printed instructions to guide you through the changes Office 2008 for Macintosh The Missing Manual gives you the friendly thorough introduction you need whether you re a beginner who can t do more than point and click or a power user who s ready to tackle a few advanced techniques To cover Word Excel PowerPoint and Entourage this guide gives you four superb books in one a separate section each for program You can manage your day and create professional looking documents spreadsheets and presentations in no time Office 2008 has been redesigned so that the windows toolbars and icons blend in better with your other Mac applications But there are still plenty of oddities That s why this Missing Manual isn t shy about pointing out which features are gems in the rough and which are

duds With it you ll learn how to Navigate the new user interface with its bigger and more graphic toolbars Use Word Excel PowerPoint and Entourage separately or together Keep track of appointments and manage daily priorities with the My Day feature Create newsletters flyers brochures and more with Word s Publishing Layout View Build financial documents like budgets and invoices with Excel s Ledger Sheets Get quick access to all document templates and graphics with the Elements Gallery Organize all of your Office projects using Entourage s Project Center Scan or import digital camera images directly into any of the programs Customize each program with power user techniques With Office 2008 for Macintosh The Missing Manual you get objective and entertaining instruction to help you tap into all of the features of this powerful suite so you can get more done in less time
