Hapke, 2005-01-05 The scale of this book encompasses vast continents and global forces but often its descriptive focus on individual lives has the most impact Stories of people and families make the study of geography compelling Students begin to grasp the complex patterns at work in the world today as they see how people are affected by and respond to economic social

and political processes Through these stories of individual lives the authors hope to convey the impact of globalization a major theme of the text To highlight global to local and interregional connections the text includes a number of topics that have no borders the war on terrorism realignments in the global political order interregional trade the global economy popular culture the environment and the Internet Here again the focus on the individual person provides insight offering local perspectives on these global trends Preface      "One Country, Two Systems" in Taiwan Xin Ji,2006 One Country Two Systems is an idea originally proposed by Deng Xiaoping for the reunification of the Chinese mainland and Taiwan After the return of Hong Kong and Macao to Chinese sovereignty in 1997 and 1999 respectively these two regions have carried out the one country two systems policy successfully The policy simply stated is that despite the practice of socialism in Chinese mainland Hong Kong and Macao can continue to practice capitalism under a high degree of autonomy for fifty years after reunification Hsing Chi knew that as long as the political and economic trend continues pointing toward a decline in Taiwan while there is sustained growth in Chinese mainland the need for reunification of the two sides will increase Time is thus not at all on Taiwan's side Since no better alternative has yet been proposed one country two systems is the only peaceful method that can succeed in giving Taiwan a high degree of autonomy while allowing the Taiwanese people to govern the Taiwanese people The Taiwan issue viewed superficially is a China U S Taiwan triangular relationship But in reality it is a China U S issue or more precisely just an American issue Sooner or later the U S has to decide how it wants to deal with this issue Only after the Taiwan issue is resolved the core hindrance of Sino U S relations can be eliminated Back cover      **The countries of the world** Robert Brown,1884      **Summary of World Broadcasts** ,1999      *World Heritage* Roger White,John Carman,2007 21 papers from a 2006 conference at the Ironbridge institute looking at issues related to the World Heritage site scheme They are divided into 4 sections management plans the World Heritage brand in perspective sustainability and engaging with communities      **A Circuit of the Globe** Archibald McLean,1897      *Digest; Review of Reviews Incorporating Literary Digest* ,1930      Journal of the North China Branch of the Royal Asiatic Society Royal Asiatic Society of Great Britain and Ireland.
