**100 Years for an American Dream** Salvatore Gerardo  
Traficante, 2021-07-14 In this book you will find the foundations of a hard and true story of a humble emigrant family in search of their destiny. Around the backbone of family history I will narrate our principles and philosophy of life, cultural basis, family concept, the importance of religion, the need for respect for laws and authority, respect and love for our predecessors, the importance of having dreams and the attitude and strength to carry them out. In short, the different components of a scale of values which, used with conviction, balance and intelligence for each situation, can help us to travel with honor and pride, the path to our fulfillment and happiness both in our material life and in our spiritual life.      *Epitomē grammatikēs*
