**None Is Too Many** Irving Abella, Harold

Troper, 2023-08-31 Today we think of Canada as a compassionate open country to which refugees from other countries have always been welcome However between the years 1933 and 1948 when the Jews of Europe were looking for a place of refuge from Nazi persecution Canada refused to offer aid let alone sanctuary to those in fear for their lives Rigorously documented and brilliantly researched **None Is Too Many** tells the story of Canada's response to the plight of European Jews during the Nazi era and its immediate aftermath exploring why and how Canada turned its back and hardened its heart against the entry of Jewish refugees Recounting a shameful period in Canadian history Irving Abella and Harold Troper trace the origins and results of Canadian immigration policies towards Jews and conclusively demonstrate that the forces against admitting them were pervasive and rooted in antisemitism First published in 1983 **None Is Too Many** has become one of the most significant books ever published in Canada This fortieth anniversary edition celebrates the book's ongoing impact on public discourse generating debate on ethics and morality in government the workings of Canadian immigration and refugee policy the responsibility of bystanders righting historical wrongs and the historian as witness Above all the reader is asked What kind of Canada do we want to be This new anniversary edition features a foreword by Richard Menkis on the impact the book made when it was first published and an afterword by David Koffman explaining why the book remains critical today
