Noon Wine:

Truth and Vision in Katherine Anne Porter's Fiction Darlene Harbour Unrue, 2008-12-01 My stories are fragments of a larger plan Katherine Anne Porter once wrote And on another occasion she praised a critic who perceived that all her work from the very beginning was part of an unbroken progression all related In *Truth and Vision in Katherine Anne Porter's Fiction* Darlene Unrue examines the encompassing themes that underlie Porter's shorter fiction and that combined to create the haunting events of her complex metaphorical novel *Ship of Fools* Porter believed that men and women are compelled toward discovering the truth about their existence but that the nature of our world makes those truths difficult to discern In her writing Unrue finds Porter explored not only this basic human need to confront the truth but also the bewilderment and suffering that are so often the results of failing to fulfill that need Often in Porter's fiction the movement toward truth is obstructed by the hollow beliefs and illusions that abound in the world by the seductions of ideology and dogmatic religion by romantic love or the vision of a golden past Clinging to such illusions using them to lend a false coherence to their lives Porter's characters are led away from the hard realization that truth requires accepting the existence of the unknowable at the center of life and that what is knowable lies within themselves Drawing on essays reviews letters and notes as well as on the intricate fabric of the fiction this study traces Porter's pursuit of the truth through the creation of a body of fiction in which from fragments of life she could assemble an honest vision of the world [Katherine Anne Porter reading Noon wine..](#) Katherine Anne Porter, 1956 *Katherine Anne Porter* Janis P. Stout, 1995 Katherine Anne Porter's life closely paralleled that of her century not only in its span 1890-1980 but in its interests and contradictions A communist sympathizer who became a quasi-fascist a cosmopolitan who embraced southern agrarianism a femme fatale whose writings nonetheless evince feminist feeling Porter embodied often at their extremes the major currents of her time and ours In this new biography Janis P. Stout argues that these inconsistencies can be viewed as part and parcel of modernism itself Drawing on Porter's rich and voluminous correspondence as well as published works Stout here sets out to craft an intellectual biography of a woman who by her own admission was not really an intellectual Stout reveals the extent of Porter's involvement in events of public significance and her interactions with prominent figures from President Alvaro Obregon of Mexico in 1920 to Hermann Goering in Berlin in 1931 to Robert Penn Warren Eudora Welty Allen Tate and others in the 1930s and 1940s to members of the Lyndon Johnson White House in the 1960s Against the backdrop of world war and cold war Porter's conflicting views on politics race religion and feminism reflected Porter's ambivalence toward her own Texas roots

Heracles' Bow James Boyd White, 1985 The law has traditionally been regarded as a set of rules and institutions In this thoughtful series of essays James Boyd White urges a fresh view of the law as an essentially literary rhetorical and ethical activity Defining and elaborating his conception he artfully bridges the fields of jurisprudence literature philosophy history and political science The result a new approach that may change the way we perceive the legal process will engage not only

lawyers and law students but anyone interested in the relationship between ethics persuasion and community White's essays though bound by a common perspective are thematically varied Each of these pieces makes eloquent and insightful reading Taken as a whole they establish by triangulation a position from which they all proceed a view of poetry law and rhetoric as essentially synonymous Only when we perceive the links between these processes White stresses can we begin to unite the concerns of truth beauty and justice in a single field of action and expression

Peckinpah's Tragic Westerns John L. Simons, Robert Merrill, 2014-01-10 The work of Sam Peckinpah represents a high point in American cinema This text is the first theoretical and critical attempt to place Peckinpah within the 2 000 year old tradition of western tragedy The tradition enfolding the Greeks Shakespeare and modern tragedians is represented in Peckinpah's art in numerous ways and the fact that he worked in the mode throughout his career distinguishes him from most American film directors Films covered include Ride the High Country Noon Wine The Wild Bunch Pat Garrett and Billy the Kid and Bring Me the Head of Alfredo Garcia

"If They Move . . . Kill 'Em!" David Weddle, 2016-03-29 A probing biography of the enfant terrible of 1960s and 1970s film making exhaustive and endlessly intriguing Booklist Written by the film critic and historian David Weddle this fascinating account does critical justice to an important body of cinema as it spins the tale of David Samuel Peckinpah's dramatic overcharged life and the turbulent times through which he moved Sam Peckinpah was born into a clan of lumberjacks cattle ranchers and frontier lawyers After a hitch with the Marines he made his way to Hollywood where he worked on a string of low budget features In 1955 he began writing scripts for Gunsmoke in less than a year he was one of the hottest writers in television with two classic series The Rifleman and The Westerner to his credit From there he went on to direct a phenomenal series of features including Ride the High Country Straw Dogs The Getaway Pat Garrett and Billy the Kid and The Wild Bunch Peckinpah was both a hopeless romantic and a grim nihilist a filmmaker who defined his era as much as he was shaped by it Rising to prominence in the social and political upheaval of the late sixties and early seventies Peckinpah and his generation of directors Stanley Kubrick Arthur Penn Robert Altman broke with convention and turned the traditional genres of Western science fiction war and detective movies inside out No other era in Hollywood has matched it for sheer energy audacity and originality no one cut a wider path through that time than Sam Peckinpah Groundbreaking Michael Sragow The Atlantic

South by Southwest Janis P. Stout, 2013-02-22 An interdisciplinary study of Katherine Anne Porter's troubled relationship to her Texas origins and southern roots South by Southwest offers a fresh look at this ever relevant author Today more than thirty years after her death Katherine Anne Porter remains a fascinating figure Critics and biographers have portrayed her as a strikingly glamorous woman whose photographs appeared in society magazines They have emphasized of course her writing particularly the novel Ship of Fools which was made into an award winning film and her collection Pale Horse Pale Rider which cemented her role as a significant and

original literary modernist They have highlighted her dramatic sad and fragmented personal life Few however have addressed her uneasy relationship to her childhood in rural Texas Janis P Stout argues that throughout Porter s life she remained preoccupied with the twin conundrums of how she felt about being a woman and how she felt about her Texas origins Her construction of herself as a beautiful but unhappy southerner sprung from a plantation aristocracy of reduced fortunes meant she construed Texas as the Old South The Texas Porter knew and re created in her fiction had been settled by southerners like her grandparents who brought slaves with them As she wrote of this Texas she also enhanced and mythologized it exaggerating its beauty fertility and gracious ways as much as the disaffection that drove her to leave Her feelings toward Texas ran to both extremes and she was never able to reconcile them Stout examines the author and her works within the historical and cultural context from which she emerged In particular Stout emphasizes four main themes in the history of Texas that she believes are of the greatest importance in understanding Porter its geography and border location expressed in Porter s lifelong fascination with marginality indeterminacy and escape its violence the brutality of her first marriage as well as the lawlessness that pervaded her hometown its racism lynchings were prevalent throughout her upbringing and its marginalization of women Stout draws a connection between Porter s references to the burning sun and oppressive heat of Texas and her life with her first husband "Noon Wine": *the Sources* Katherine Anne Porter,1956
