Olivet Prophecies:

From the Ascension to the Kingdom David C. Westcott,2010-10-18 Beginning with some background information on the Mount of Olives the temples of Jerusalem the Passover week and the mindset of Jesus disciples this book employs this author's composite of the Olivet Discourse passage found in Matthew Mark and Luke to expound upon the prophecies presented by Jesus to His closest disciples After hearing His disciples inquires Jesus delineated details of events which would take place after His departure into heaven up and through the time of His return to establish His Earthly Kingdom The disciples were anticipating an immediate arrival of Jesus Kingdom but Jesus knowing this gave them an accounting of events which must take place prior to the establishment of that Kingdom He began by giving a direct warning to the disciples followed by an explanation of trials that they would personally encounter Jesus then told these disciples about the demise of Jerusalem which would take place in 70 A D Following that He spoke of the coldness of heart which will permeate the society in the end times He gave them the Abomination of Desolation as a sign of the approach of the end of the age Jesus detailed the events which will surround His return to set up His Earthly Kingdom Moreover through parables Jesus taught His disciples and those who will His discourse the importance of being prepared for His return In the final scene of this discourse Jesus presents a picture of a judgment which will take place in preparation for the establishment of His Kingdom There are many lessons to be learned through Jesus presentation of the Olivet Discourse This writer hopes that his readers will take to heart the lessons of this most prophetic disclosure on the end of the age

When? Stan Way,2019-04-26 The Olivet prophecy focuses on one of the most important events of divine history the destruction of Jerusalem and the Temple in AD 70 This was a judgment event that fulfilled Old Testament messianic prophecy particularly prophecies found in Daniel Zechariah Joel and Malachi With the destruction of the Temple the practice of the Old Testament sacrificial system was brought to an end never to reestablish As twenty first century Christians we live with the expectation of Christ's second coming an event defined by resurrection and the end of history This is the blessed hope and the final event of the present age

Olivet Prophecies E. Raymond,E. Raymond Capt,2002-01-01 *The Olivet Discourse Decoded* David Nikao Wilcoxson,2020-10-23

Matthew records that Messiah pointed to this generation ten times In the final time Messiah said Verily I say unto you this generation shall not pass till all these things be fulfilled Matthew 24 34 The nine previous mentions are pointing to the Jews who opposed Messiah Are we to believe that the tenth time that He described this generation that He is pointing to the end times No The context of Messiah's Olivet Discourse is the desolation of the temple that He was just in when He rebuked the Jews and said Verily I say unto you all these things shall come upon this generation All of the things that Messiah described from Matthew 23 36 to Matthew 24 33 were fulfilled by 70 AD when the Romans desolated Jerusalem the temple and the Jewish nation The enemy has deceived people about the symbolism of the sun moon and stars being darkened Messiah coming in power and glory and the elect being gathered into the kingdom But the Bible gives the proper definitions for the

symbols We need to take Messiah at His Word and look at how the things that He described were about the Jewish nation for their punishment of continuing their rebellion against the Father for delivering Messiah up to be killed and for persecuting His disciples The Olivet Discourse is directed related to the 70th Week of Daniel 9 which I cover in my previous book which says that the city and temple will be desolated because of the abominations of the Jews If you're seeking for truth and not to defend a belief this book will prove out the fulfillment of Messiah's Olivet Discourse It will help you see that it's not about the end times so that you're not misled about the fulfillment of Revelation as we await Messiah's promised return **Prophecy**

Prophecy Curtis Schulze,2021-04-12 Church in Prophecy Today the rapture of the church is one of the most disputed end time topics in all the scriptures No other end time doctrine has divided the church more than this subject of the rapture We have made this all about timing rather than his return Many are preoccupied with and distracted by their own particular prediction The purpose of this book is not to refute one position in favor of another but to come against the church's obsession and preoccupation with timing Our focus should be directed toward his return and not fixed on timing This is the testimony of the scriptures Whether he comes early or whether he tarries this does not matter to me What matters to me is the readiness of the church We need to be ready now and always if he comes early but if delayed we will need to be ready to go through the dark and difficult days ahead We need to prepare our hearts now for what is coming lest it catch us off guard We need to build our faith to stand under pressure and we need to build our trust and confidence in Him now to keep us while in tribulation We will need to settle the matter in our hearts concerning all those things coming on the earth to lay our lives down at all cost We will need to prepare our children and loved ones for the day ahead if the Lord tarry If the Lord did return today most would not be ready to evacuate If he were to delay his coming most are unprepared for the dark and difficult days ahead I am afraid for the church I am afraid many will fall away if the rapture does not occur as expected I am afraid many are taking this too lightly thinking they are guaranteed a seat on the rapture express but will be left behind because of complacency and indifference toward Christ and the gospel Either way you look at it the church is neither ready to leave nor ready to go through

Understanding the Olivet Discourse Thomas Ice,2021-10-30 The biblical passage known as the Olivet Discourse is the most prominent prophetic teaching of Jesus in the New Testament At a time when His earthly ministry and presence was coming to a conclusion Jesus gave the disciples and through the account in the Gospel of Matthew Matt 24-25 future readers such as ourselves important knowledge about God's prophetic plan All three synoptic gospels Matthew Mark and Luke contain some of all of the Olivet Discourse It is a central teaching in Bible prophecy In this passage Jesus laid out an overview of key events that will take place during the seven year tribulation culminating in His return to earth known as the second coming 24-4-31 Christ then speaks a series of parables to show the lessons to be learned

as a result of His prophetic discourse 24 32 25 Book jacket

Advanced Prophetic Studies Gordon Ziegler,2014-01-24 This book is an outgrowth of a manuscript entitled Advanced Prophetic Studies by the author written in 1981, later renamed Manifold Revelation. This volume was designed to follow Blueprint for Revival, the precursor of Who Shall Stand and The Daniel Eleven Mystery, the precursor of Daniel Eleven Mysteries as a third volume in a set. The first two volumes in the set introduce the idea of more than one glorious coming of Christ during probationary time in the last days and a set of hermeneutic principles to test our prophetic views by. This volume takes those for granted but explores those concepts through a wide range of Bible books. As in Daniel Eleven Mysteries, the text of the chapters is virtually free from the hermeneutic principles those being reserved by chapter for Appendix A in Daniel Eleven Mysteries. The text also is a virtual commentary on the texts studied. Not only the applications envisioned in the original Advanced Prophetic Studies but more recent applications of some of the texts are propounded. Every effort is made to bring the work up to date with the best light possible.

Thy Kingdom Come Harold L. Patterson,2008-12 Thy Kingdom Come is a panoramic overview of the present reign of Jesus Christ at the right hand of God the Father and of the future consummation of that reign. It presents three authoritative apostolic New Testament guidelines for the interpretation of the Old Testament prophecies. It fairly examines the three main positions on the millennium and offers scriptural conclusions that incorporate elements of truth from all three. Detailed expositions of the 110th Psalm and the book of Revelation are based on the apostolic guidelines. Harold Patterson was born in Portland, Oregon in 1920. In 1942 he was appointed as a Patrol Inspector in the Immigration Border Patrol and was assigned to work on the Mexican border in Southern California. His career as a Border Patrolman was interrupted by military service during WW II. During his military service he met and married Shirley Van Hamm in Denver, Colorado. In 1951 Harold and Shirley enrolled in BIOLA Bible College in Los Angeles. After graduation they accepted teaching positions in Taholah, Washington on the Quinault Indian Reservation. They remained in Taholah for 17 years and served the Indian community in

various ways during that time To upgrade his professional skills Harold earned the Bachelor of Education degree at Seattle Pacific University and the Master of Education degree at the University of Washington In 1972 Mr Patterson was appointed Associate Supervisor of Indian Education for the State of Washington and served in that capacity for nine years He also served as a lay minister and Bible teacher in various churches In 1972 the Pattersons moved to a ranch at Brooklyn Washington Throughout the years Harold maintained a very close relationship with the Quinault people and in 2005 he was adopted as an enrolled member of the Quinault Indian Nation Prophecy A-Z: The Complete Eschatological Dictionary Bernie L.
