*Postsocialist Europe*

László Kürti,Peter Skalník,2009-09-01 Now that nearly twenty years have passed since the collapse of the Soviet bloc there is a need to understand what has taken place since that historic date and where we are at the moment Bringing together authors with different historical cultural regional and theoretical backgrounds this volume engages in debates that address new questions arising from recent developments such as whether there is a need to reject or uphold the notion of post socialism as both a necessary and valid concept ignoring changes and differences across both time and space The authors firsthand ethnographies from their own countries belie such a simplistic notion revealing as they do the cultural social and historical diversity of countries of Central and Southeastern Europe

West Federal Taxation Eugene Willis,William H. Hoffman, Jr.,David M Maloney,William A Raabe,1996-04 This combined and abridged version of the Individuals and Corporations volumes provides a comprehensive introduction to taxation for the less research oriented course with less attention to minute detail See Hoffman et al WFT Corporations for further description This text is also available in a loose leaf format for instructors only and in a CD ROM version
