the wedding date Morgan is everything that Finn isn't What girl wouldn't love him Except that she finds out there's hell to pay for falling for a mortal Purity When you're the daughter of a god you're not always in charge of your own fate That's what Riven and her five sisters discover when their father a minor god has bartered their future to the god of the Underworld Riven's nothing like her twin sister She's bold determined ambitious and she will get what she wants Hell hath no fury like a woman kept from her objective And right now Riven's objective is Finn the firstborn of the King of Hell Sure Riven's promised to Nico but what's a little trial to a demigoddess like Riven She welcomes the challenge Poor Nico He's bitten off more than he can chew when it comes to this feisty daughter of a demigod And Riven's hell bent on getting what she wants Literally
